Part-time

About Mathnasium

At Mathnasium, we specialize in teaching kids math the way that makes sense to them. Using the time-tested proprietary Mathnasium Method™ and curriculum that has helped thousands of students in more than 700 Mathnasium centers nationwide, we are committed to helping each child catch up, keep up, and get ahead in math. We are dedicated to providing our students with a warm, positive environment that makes learning math fun.

Qualifications and Requirements

- Instructors are part-time employees who typically work between eight and sixteen hours per week. Some flexibility in schedule may be required. **Instruction hours are between 3:00PM to 7:00PM, Monday through Thursday and 11:00AM to 1:00PM on Saturday. MUST be able to work at least 2 Week days.** Most instructors work only part of those hours.
- Instructors are expected to apply the Mathnasium-specific teaching methods learned through required training.
- Must have exceptional math skills through Algebra I and Geometry. Knowledge upto and including Calculus is a plus.
- Must be positive, energetic, outgoing and passionate about teaching and helping kids.
- Must be able to communicate professionally and build a rapport with parents, colleagues, and students of all ages.
- Must possess excellent communication and multi-tasking skills..
