**2019-2020 School Year**

## **Our Community**

Located in the southeast valley of the Phoenix metropolitan area, Gilbert is a dynamic community that is actively growing and diversifying its economic base, citing global-minded innovation and entrepreneurship as keys to productivity. Technology, Engineering and Math (STEM) are essential components to the community economic foundation. Gilbert is committed to realizing a sustainable and world-class business environment that is unique to the community.

The community's dense volume of educated residents boasts one of the highest concentrations of graduate and professional degrees among competing Western U.S. cities. Gilbert's current population is 245,234. With attractive demographics, award-winning amenities, prime business incentives and high-profile developments, Gilbert offers immediate, attainable economic opportunity for industry-leading companies.

## **Our School**

Perry High School was established in the fall of 2007 and has grown to the second largest high school in the Chandler Unified School District. Our Fall 2019 enrollment is over 3600 students. Perry High is a public, comprehensive four-year high school, which emphasizes a college preparatory curriculum in addition to technology and vocational based programs. All Perry Faculty are highly qualified in their content area. We are an A+ excelling School. We have been ranked as one of Arizona's top ten high schools.

The mission of Perry High School is to provide an enriched environment where our students can develop **Pride** in themselves, their school, and their community; where they can demonstrate **Progress** in their ability to think critically in a technologically advanced society; and where they can realize their **Purpose** as responsible citizens.
