PERRY HIGH SCHOOL DUAL ENROLLMENT

STUDENTS **NEW** TO PERRY AND THOSE WHO HAVE NOT TAKEN THE ACCUPLACER

CREATED BY CINDY PINO AND HEATHER PATTERSON

CHANDLER-GILBERT COMMUNITY COLLEGE

PRIDE PROGRESS PURPOSE
PERRY
EST. 2007

HERE ARE THE BASICS:

- Dual enrollment is an opportunity for eligible high school students to earn college credit during their regular high school classes.
- The credits students earn through dual enrollment are treated the same as regular college credit.
- They can be transferred to other Maricopa Community Colleges, Arizona's state universities, and even some out-of-state colleges. or universities

HERE ARE THE BASICS:

"Since the classes are my high school classes,

I'm already familiar with the teachers and campus,

so there's less to worry about."

-Dee Kater, Perry High School Class of 2015

By participating in CGCC's dual enrollment program, you earn college credit that can fulfill many university general studies requirements, including **English, math, science, history and language courses**. This means you pay community college prices for university-level classes. Savings also occur because your high school provides the necessary text books. You are able to complete a four-year degree program more quickly due to transferred credits.

HERE ARE THE BASICS:

- Community College tuition rates are much lower than rates for a state university. Dual Enrollment students pay roughly 1/3 the tuition they would pay at a state university. For parents planning on paying for their child's college tuition, this can be a huge help.

HERE ARE THE BASICS:

- For the 2018-2019 year, the **in-state** tuition rate is $85 per credit hour. There are additional charges for students classified as out-of-state. There is also a $15 registration fee once *per semester* for each community college.

CAN I GET TUITION ASSISTANCE?

- A tuition assistance form is available to students who can demonstrate financial need. Applications submitted now will be approved and awarded on a first come, first served basis until funding runs out.
- Access to this form will be shown at the end of the PowerPoint
- This will take you to the Tuition Assistance form

AM I ELIGIBLE TO ENROLL IN THIS CLASS?

- Dual enrollment students must be attending Perry High and meet the **prerequisite criteria** for the course or have a qualifying **placement score** by taking an appropriate assessment test.

WHAT PLACEMENT TEST?

Ask the teacher for the course you wish to take what the full requirements are, but here is a general guideline for the placement tests:

- Math courses require a certain score earned on the **Math Accuplacer.**

  Some math classes allow the use of a "Multiple Measures" to help gain entrance into the class. Your math teacher will let you know which class uses this (in case you don't receive a passing placement score).

- College Prep English requires a passing score (5+) on the **Write Placer** or a 4-5 on 11AP Language and Composition test.
- **ALL** other classes require a "proficient" or "highly proficient" score on a current AzMerit test (9th-11th grades) ***or*** a passing score on the **Reading Accuplacer.**

WHAT IF I DON'T PASS THE PLACEMENT TEST?

- Students are allowed to take the placement test **TWICE** within a short period of time. If a **THIRD** and final attempt needs to be made, a three month period must pass before the final attempt is made to pass.
- The math and English tests are given at Perry during the spring.
- The Reading Accuplacer is given at Perry during the first month of the new school year. All in-coming 9th graders and those students who did not pass the reading portion of the AzMERIT must take the reading Reading Accuplacer.

READING ACCUPLACER

During the Week of **August 6th – 10th**, the Reading Accuplacer will be given in the **Career Center** (F219)

If you need to take the Reading Accuplacer, please report to the Career Center **after school** during the testing week.

Bring your ID (driver's license or PHS card) and your CGCC student number (it begins with the number 3).

You cannot test without proof of ID

and your CGCC student number

THERE ARE 4 STEPS TO BECOME A DUAL ENROLLMENT STUDENT:

Step 1- Get Admitted (*if you haven't already done so*)

*** - Submit Identification (optional online)**

Step 2- Take the placement test *(if you need to)*

Step 3- Submit the Registration form to your Dual Enrollment teacher

Step 4- Once the college has come to PHS to register you, you can pay for the course(s) on line.

STEP 1- GET ADMITTED

Creating an MEID number will give you access to your college account (you can see your grades, send email, and make payments).

Once you create the MEID number, you will also receive a CGCC student number (this number begins with a 3). You will need the CGCC number to take placement tests and complete the hard copy registration form.

Student Information Release Authorization

The student agrees to the exchange of academic information between the participating institutions, including but not limited to college grade reports, transcripts, and any other pertinent documents. The student gives permission to release Maricopa Community College student information to their parents/guardians in accordance with Federal Law. This does not disturb the annual notifications with opt out provisions from occurring through standard notification practices. ☐ YES ☐ NO

Registration by Proxy Authorization

Students under the age of 18 who are unable to register on their own may have a parent/guardian register for them "by proxy." However, in order to comply with federal laws dealing with the confidentiality of official student records (Family Education Rights and Privacy Act of 1974), a release must be granted to authorize Registration by Proxy. Consent to Contact

I give permission to the Maricopa Community Colleges to contact my child via SMS text messaging and automated calls or other methods of communication for official business to the phone number(s) in my student's account. ☐ YES ☐ NO

Financial Responsibility

As the parent/guardian of a minor student, I approve the enrollment in any Maricopa Community College course until the students turns 18 years old. I also acknowledge I have read the Maricopa County Community College District Tuition and Fees Policy and the Maricopa Refund Policy below.

I understand that tuition and fees are added to a student account as a result of enrolling in classes. Once registered and enrolled, if not dropped by the 100% refund deadline, I am responsible for all tuition, fees, and fines charged to my child's student account. Failure to attend class does not absolve me of the financial obligation as described above. Failure to resolve past due balances may result in an impact of services, including holds on my child's student account restricting future registration, other services, and forwarding of any unpaid past due balances to collection agencies.

I understand that I am responsible for all tuition, fees, and fines that may be incurred related to my under age 18 student's enrollment at the Maricopa Community Colleges. I understand an email outlining my financial responsibility will be sent annually.
