Expectations of MDC Dancers

Etiquette:

- As a member of Movéo Dance Company, you hold the highest prestige among the dancers at PHS; carry your position with pride. You set the example in everything you do both on and off campus. The integrity of the dance department relies on you and the choices you make.
- Absolutely no tolerance for alcohol, drug, or nicotine usage. No boys. No leaving hotel after lights out or without permission of the sponsor. Students need to be on time and considerate of each other, sponsors, adults and other students at conference.
- Be polite. No badmouthing other students or schools.

Time

Anytime the group is assembled for a particular purpose such as rehearsal, performance, tour, field trip, etc., it is considered "Dance Time." You must remain with the group at all times unless you have been given prior permission to separate from the group. When separated from the group, dancers must travel in groups of 3 and should keep track of scheduled meeting times. Any time you miss a curfew you will lose the privilege of separating from dance director. Visitations from person outside Movéo can be a distraction, and will not be permitted.

Consequences

- If the expectations are not met, the sponsor reserves the right to dismiss a member of Movéo at any time.
- It will also be understood, should a student not follow expectations and proper etiquette, parents will be contacted and if needed, students will be picked up early at parent's expense.

*****Any violation of these rules will result in disciplinary action, including dismissal from Movéo Dance Company. Parents will be expected to pick up their student if any problems occur. *****
