# PERRY HIGH DANCE
## PRIDE ◆ PROGRESS ◆ PURPOSE

Dear Puma Dance Parent,

We are happy to have your child in the Perry Dance Program this year. We hope to provide a fun and engaging learning experience that is memorable for our students.

We rely heavily on technology in our classes and would like to make you aware of the various tools available to you and your students for an improved educational experience.

**Infinite Campus Student and Parent Portal** can be accessed via the Infinite Campus Mobile App and through the following website: http://www.cusd80.com/studentportal. You can expect that our grade books will be updated on a weekly basis. We expect that you will monitor your child's grades regularly and contact the teacher if you have any questions or concerns.

**Teacher Websites/ Google Classroom** are continually updated and contain information parents and students will need for the school year. Students are required to visit these sites frequently for assignments. Use the links below for teacher websites. Google Classroom codes will be given in class.

**Remind** is a website and mobile app that facilitates communication with students and parents through confidential texts or emails. We strongly encourage you and your student to sign up for messages according to his/her class period. Instructions and required codes are listed on each teacher's website.

**Email** is the fastest and most efficient way to contact your child's teacher should you have any questions or concerns.

Looking forward to a great year,

Ms. Murrish
