

## **PERSIA G/S “Buzzwords”**

Use this acronym to group content from a text together. Include both vocab terms, and their definitions/explanations. Use this as a foundation for summaries that help demonstrate an understanding of change over time. Be aware of how content in these different categories can overlap.

### **Political:**

politicians, kings, laws, government, generals, military issues, battles, wars, elections, political parties, Supreme Court case, etc

### **Economic:**

money, taxes, trade, jobs, land, unions, corporations, etc

### **Religious:**

God, religious books, religious groups/movements, etc

### **Social:**

food, living conditions, gender issues, friends, free time, family issues, moral issues, racial issues, sexual issues, etc

### **Intellectual:**

ideas, thinkers, philosophers, books that move ideas, education, technology, inventions, machines, communication tools, etc.

### **Artistic:**

literature, movies, music, books, painting, clothing. etc

These last two additions can also be helpful, but not required for assignments including PERSIA acronym.

### **Geographic:**

topography, location, human/physical (rivers, soil, etc.) characteristics, movement of people/goods/ideas, relationship to regions, relationship of people to their environment, etc.

### **Scientific/Technological:**

communication, transportation, construction, inventions etc.
