# Fantastic First Graders

## Thank you!

Thank you for all your support collaborating with me to help your child achieve success in 1<sup>st</sup> grade. All the countless hours you have spent on homework packets, spelling practice, math review, reading passages, and reading daily absolutely means everything and has helped your child to feel good about school and succeed. So again, I thank you!

## Placements for next year

This time of year, we typically receive questions and requests about student placements for 2<sup>nd</sup> grade. Please understand that we appreciate and consider your input! However, it is our responsibility to take all students needs into consideration and make the most appropriate placements. We ask that you refrain from asking your children who they would like to have as a teacher next year since things may not turn out the way they think it will. We cannot guarantee parent requests. Our goal is to create well balanced classes. We are an A+ school. All the teachers here at Riggs are great, so your child will be in good hands!

**\*Your child's next year's teacher placements will be sent to you later in the summer via Infinite Campus. Make sure you have signed up!!!**

**\*Make sure your address is updated with the office!**

**\*If you do not plan to attend Riggs next year, please inform the front office ASAP.**

## End of the year items

I will be sending home your child's belongings from the school year. Be looking for items in your child's backpack.

**It has been so rewarding teaching your child this year. I feel blessed to have had such a great class and to be a part of your child's academic growth. I wish your family a wonderful summer and your child much success in next year!**
