Thankful thoughts from Mrs. Dafoe

The students have been sharing with me about what they are thankful for and now it's my turn. I am thankful for my students and the families of Riggs Elementary. It is a joy everyday to help and see each one of my students grow academically, physically, and emotionally. Each child is unique, and I value their differences! Each day something new is shared, learned, and celebrated in our classroom. Thank you for sharing your child with me and supporting me with their learning as well as volunteering.
Have a blessed Thanksgiving with your family.
