Birthdays

March 19- Alexia

March 20 - London

April 8 - Camden

April 27 - William

Girls Show & Tell

Bring in 1 item to share that fits inside your backpack.

Notes

I hope you enjoyed your spring break. I am so excited to hear all about what the kids did over break. As we enter 4th quarter, we will work intensely to prepare your child for 2nd grade. I can't stress enough how important it is for your child to be reading to you daily. The stories are getting more complex, and I want to make sure the kids are reading for meaning, being able to comprehend what they have read. Math problems will also require a lot of higher order thinking at this point. Your child will have more of a solid foundation if they know their math facts 0-20, addition and subtraction for quick recall.

****The kids should also be reading directions by themselves or with little assistance. We are trying to get these kids to be more independent.**

Warmly, Mrs. McCaffrey
