

Hi! From Mrs. McCaffrey

Teaching is an absolute passion of mine, and I love being a part of every first grader's transformation. You will see great changes academically, socially, physically, mentally, and behaviorally, and I have an exciting year planned!

Riggs Elementary is an amazing, excelling school where students and parents alike are valued. As your child's teacher, I will create community in the classroom by providing a safe, comfortable, and caring environment as well as encouraging students to learn through a variety of learning styles. My goal is for each child to reach their fullest potential, and I will differentiate my instruction to meet each child's needs. I intend to provide learning experiences that are exciting, challenging, and positive through open communication and collaboration with other students, staff, family, and our community.

My husband Ken and I have been married for 29 years, and we have two adult daughters. In my spare time, I am an avid reader and bring my Kindle with me everywhere! I am a lover of quotes and enjoy "one clicking" on Amazon.com, traveling, and hiking. This is my 18th year teaching 1st grade. I also taught 2nd grade in Michigan prior to moving to Arizona. I have my Bachelor's Degree in Education from GVSU, a Master's Degree in Curriculum & Instruction, Reading Specialist Endorsement, and an Early Childhood Endorsement from NAU.

It is my sincere hope that this letter gives you a little bit of information about me, what I bring to the classroom, and my goals. I believe that a good parent-teacher relationship is necessary for maximum school success. Throughout the year I will communicate with you through emails, newsletters, texts, telephone calls, parent-teacher conferences, and my classroom website. I encourage you to visit it often as it has a lot of valuable up-to-date information as well as a chance for you to see "inside" our classroom through pictures.

If you ever have any questions, comments, or concerns, please get a hold of me. I am always here for you and your child. I am so grateful and truly excited to be your child's teacher and look forward to a wonderful year!

Warmly,
Mrs. Becky McCaffrey
