

First Grade Discipline Plan

Dear Parents,

In order to guarantee your child, along with the rest of the students in our class, the best possible learning environment, our first grade classroom will be using a colored "clip chart" to monitor our behavior and classroom choices.

Your child will have a clip that they will physically move up or down the chart depending on their choices. Please keep in mind that your child may not move every single day, and that's okay! In order to move up, students must go above and beyond in their behavior choices. The chart below explains how the clip chart works.

Blue: Great Choices	Students who make positive choices will receive recognition as they move up the chart.
Green: Ready to Learn	Everyone starts the day "Ready to Learn!" Students can "clip up" or "clip down" throughout the day depending on their behavior choices.
Yellow: Slow Down	Students who receive a warning will move to yellow. This serves as a reminder to students to slow down and think about the choices they make.
Orange: Think About It	Students who continue to make poor choices will move to orange. This will result in missing five minutes of either play time at recess or at Responsibility Club.
Red: Parent Contact	Students who move to red will complete a behavior reflection note to be signed by a parent. Red is automatic for any physical behavior.

This system will be a positive way for students to monitor their choices and will give them behavior goals to strive for! Your child will be marking the color he/she earned for the day in their homework folder.

If you have any questions or concerns regarding our behavior policy feel free to contact us.

Thank you for all of your support!

☺ Mrs. Folmsbee & Mrs. Raphael
