

Welcome 1st Grade Families!

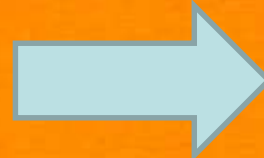

- Find your child's name tag and place it on a desk. The packet on the desk is yours and includes homework for you and your child. Please take it home today.
- You may sign up to be a volunteer at the horseshoe table 😊
- If you would like to donate an item to our class, please visit our "helping hand" board.
- Have your child visit Mrs. Folmsbee & Mrs. Raphael for a family photo!

We are happy to talk with you about your child at any time, however, out of respect for our students' privacy, we do not discuss student progress when we have other students in the classroom. If you wish to discuss your child's progress, please contact us to schedule a conference.

* We will respond within 24 hours. Thank you for understanding.

Birthdays

Birthdays are extra special for First Graders!

Feel free to send in store bought small treats (school policy). Please include napkins if it's a messier treat. Prior to buying treats, check with us for our class size, as it changes frequently throughout the school year. (We will eat the treats outside before recess.)

Please only send party invitations to school if you are inviting our whole class. Students with summer birthdays will have an opportunity to celebrate with the class in May.

Snacks

- Students will have the opportunity to eat a snack at our afternoon recess. Please send in a snack with your child each day.
- We will have a class snack the first week of school . . .you do not need to send in a daily snack until July 26th.
- Healthy snacks are encouraged! THANK YOU IN ADVANCE!!!

Behavior

Clip Chart

Blue: Great Choices	Students who make positive choices will receive recognition as they move up the chart.
Green: Ready to Learn	Everyone starts the day "Ready to Learn!" Students can "clip up" or "clip down" throughout the day depending on their behavior choices.
Yellow: Slow Down	Students who receive a warning will move to yellow. This serves as a reminder to students to slow down and think about the choices they make.
Orange: Five Minutes	Students who continue to make poor choices will move to orange. This will result in a missing five minutes of play time at recess or at Responsibility Club (Fun Friday).
Red: Parent Contact	Students who move to red will complete a behavior reflection note to be signed by a parent. Red is automatic for any physical behavior.

Clip Chart

Behavior

Your child has a behavior chart in their homework folder. He or she will fill this out daily so you will see how they are doing. Likewise, there will be consequences for students that choose to break the rules such as writing a "Think about it" sheet, time out, parent contact, or in extreme cases, a visit to the principal's office.

Positive Behavior:

First semester: STAR Cards!

-When students make good choices they earn punches on their "STAR Cards." When the punch card is full, students get Treasure Box!

Second semester: Folmsbee & Raphael Bucks!

-When students make good choices they earn "Raphael Bucks" which can be spent on rewards of their choice.

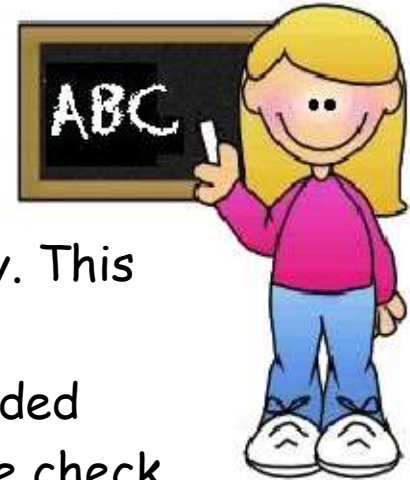

Homework

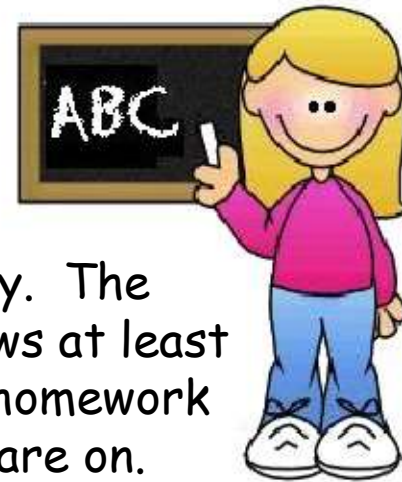

Your child will bring home a homework folder each day. This folder will help your child learn to be responsible and organized! It also provides a place to put notes or graded papers your child needs to take home or return. Please check this folder daily!

A homework packet will go home each Monday and is due back Friday morning. First graders are also expected to read a book of their choosing for 15 minutes per night. Research has shown daily independent reading to be one of the most important factors in predicting student success in school.

Please encourage your child to read daily, and ask questions about what he/she is reading!

Sight Word Lists & Baggy Books

Your child will need to practice sight words weekly. The goal at the end of 1st grade is that your child knows at least 200 sight words. There is a chart in your child's homework folder that you can look at to see what level they are on. These lists are also available on our website.

<http://www.mychandlerschools.org/Page/78773>

Your child will also be coming home weekly with a baggy book at his or her level. Please have your child read it to you, ask them questions about what they read, and then return it so they can get another one. We will assess levels quarterly and change book levels accordingly.

Recently changed sight words over to match reading program.

Healthy Kids

A child must not be in school and will be sent home if the following condition(s) are present:

1. Fever 100 degrees or higher. A child must be fever-free for 24 hours (without medication before returning to school.)
2. Persistent cough.
3. Sore throat with fever and/or white spots on the throat-if strep throat is diagnosed, the child must be on antibiotics for 24 hours before returning to school.
4. Rash with fever illness, such as chicken pox, measles, etc.
5. Nausea, vomiting, or diarrhea. A child must be free from symptoms for 24 hours before returning to school.
6. Red, itchy, and draining eyes. If conjunctivitis or "pink eye" is diagnosed, the child must be on antibiotics for 24 hours before returning to school.
7. Prolonged headache and/or stomachache.
8. Swelling or pain at a level that may interfere with learning.
9. Earache.
10. Toothache.
11. Head lice - A child must remain at home until treated with medicated lice shampoo and the nits are removed. The child must be cleared through the health office before returning to school. CUSD enforces a no-nit policy.

Specials

Please check the specials calendar in your child's Homework Folder. It's also on our class website. Please be sure that your child comes to school each day with proper shoes and clothes so that he/she may participate on P.E. days.

**Our technology class is from 2:25-3:05 (40 minutes)*

**Our PE, library & music classes are from 2:05-2:35 (30 minutes)*

Thinking Maps

Thinking Maps are visual teaching tools that foster and encourage life long learning. They provide students with the skills to be successful thinkers, problem solvers, and decision makers.

Field Trips

Made possible by your
tax credit money donations.

THANK YOU!

We are hoping to go to...

- Schnepf Farms
- Children's Museum of Phoenix
- Peter Piper fraction review

What Does It Take To Fund A Field Trip, Performance, or On-Site Activity?

Cost of Sample Field Trip:
1st Grade Childsplay Performance
(Based on 120 Students)
Admission: \$1,200.00
Transportation: \$ 550.00
Total Cost: \$1,750.00

Funds Come From:

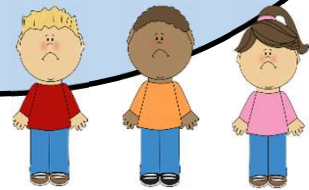

1. Extra-Curricular Activity Fees
EXAMPLE: \$5 per student, per activity fee is charged (with the exception of extended day or overnight trips). Fees must be charged **BEFORE** a student attends trips, etc. according to Attorney General's opinion.
- &
2. Tax Credit Donations

Why Do We Need Both ECA Fees & Tax Credit Donations?
Extra-Curricular Activity Fees Do Not Cover Total Costs of Trips. Example:
\$5 Activity Fee X 120 Students = \$600.00
Total Cost of Trip: \$1,750.00
Activity Fees Collected: - \$ 600.00
Still Needed To Fund Trip: \$1,150.00

*If we do not have tax credit donations to cover the remaining cost of trip, there will be no trip.

Who Can Make A Tax Credit Donation?
Any Arizona taxpayer (Aunts, Uncles, Grandparents, Neighbors!) can make a tax credit donation, regardless of whether or not they have children in school or live in the Chandler Unified School District.

How Do I Pay ECA Fees & Make A Tax Credit Donation?
Parents/Guardians will pay fees and make donations through their Parent Portal account. Others can make donations through the tax credit online site provided on our website @ www.chandlerdonations.org.
