Teacher Talk

It was so nice to see everyone at curriculum night. Thank you for coming to learn all about our fantastic year. If you were not able to make it you can check out the power point presentation on my website any time. I can't believe that we finished up our first week of school! We've accomplished so much already. Have a great weekend and please don't hesitate to contact me with any questions.

**TIME FOR KIDS Magazine is a Wise choice!
We get to ponder about current events that touch on many subject areas. We have comprehension questions that lead us to class discussions and writing assignments. Best of all we are **READING** and having **FUN!****

Reading

Stories: *Dangerous Crossing*

Genre: Humorous Fiction

Skills: Cause and Effect

Spelling: VCCV pattern

Writing: All About Me Book

Spelling Test is on Thurs., Aug. 1st

Story Assessment is Friday., Aug 2nd

Math

We are beginning with Chapter 1-Place Value. We are reading and writing whole numbers to a million, modeling and relating fractions to a decimal to the thousands. It is very important that students are practicing their multiplication and division facts at home in order to help build fluency. Math homework is assigned nightly Monday – Thursday.
