

"Owl" News Is A Hoot!

August 2, 2019

Teacher Talk

It is a busy time. We are getting into our routines with block. The weather has been a little crazy so we had some indoor recesses. We started Galileo testing, and will continue with it next week.

Have a great weekend and please don't hesitate to contact me with any questions.

TIME FOR KIDS Magazine is a Wise choice! We get to ponder about current events that touch on many subject areas. We have comprehension questions that lead us to class discussions and writing assignments. Best of all we are READING and having FUN!

Reading

Story: Lesson 12, Can't You Make Them Behave, King George?

Genre: Narrative Fiction

Comprehension Skills: Facts and Opinion

Spelling: Lesson 12 Reader's Notebook

Spelling Test: August 15

Writing: Opinion Writing/ Multi-flow Thinking Map

Math

We are beginning with Chapter 1-Place Value. We are reading and writing whole numbers to a million, modeling and relating fractions to a decimal to the thousands. It is very important that students are practicing their multiplication and division facts at home in order to help build fluency. Math homework is assigned nightly Monday - Thursday.

Social Science/Science

Social Science (Integrated into ELA): American Revolution

Science (Integrated into ELA): Properties of Matter
