

# "Owl" News Is A Hoot!

August 23, 2019

## Teacher Talk

We have an amazing history! We are busy reading and learning about the American Revolution and all the brave Patriots who fought for our country's freedom. And we are writing about the relationship of the colonial government with the Native American Indians.

Remember that Wednesday and Thursday are half days. We dismiss at 11:30, so there is no lunch on these days unless your child is attending Kids Express.

Have a great weekend and please don't hesitate to contact me with any questions.

Mrs. Weber
