

Hello Santan Families,

I hope you are all doing well and finding how to best live each day in our current state of "normal." I've been finding some of the tips offered online, in the news and from other sources very interesting, but my favorite so far is the "Invisibility Sweatshirt" that makes its wearer "invisible" to the others in the house. Do you think it makes them unable to hear the others, as well? 😊

We are drawing our third week of Distance Learning to a close, and we're looking ahead to Weeks 4-7. In order to help families with planning, as well as decreasing the number of trips being made to the school, Monday's (April 20) Packet Distribution will include the work for Weeks 4-7. Packets will be available for pickup, as well as work books (consumables) for anyone who hasn't already picked them up. Staff will be available from 9:00-11:00 a.m. in front of the school.

As we've been asking, please stay in your vehicle, and the materials will be handed in to you. If you are unable to make it during the offered time, additional packets will be available outside the front doors on the Elementary side of the office. Please only take the packet(s) needed and leave the envelope and additional packets for others who may need to pick one up!

We have a pre-construction meeting Tuesday morning, so following the meeting, we will be able to provide more concrete information relating to when all students' personal items will be available for pickup, as well as when library books, any textbooks, etc. may be returned.

I hope you are all doing well and have been finding ways to enjoy the added time together. It certainly can be challenging, but it is also a unique and unexpected opportunity to enjoy each other.

Wishing you all well,
Amy
