

Hello Santan Families,

As we approach the beginning of our third week of Distance Learning, I wanted to check in with everyone and provide additional information.

First of all, we will once again be passing out hard copy packets on Monday, April 13 from 9:00-11:00 a.m. in front of the school, if you've signed up to receive hard copies. At that time, we will also have student workbooks (consumables) available for pick-up, if you were unable to pick them up last Monday. Once students are in possession of their workbooks, life will become significantly easier for them, as well as for each of you as parents. While the Journeys stories are not included, many of the other ELA activities are. All Math activities will be included, as well.

Secondly, we will be setting times for pick-up of students' personal items from classrooms. We do not yet have the specific date(s), but are looking at the last week of April as being our target. Our entire Santan campus is having all flooring replaced over the summer, so we have a challenging task ahead of us in preparation. We're also extremely excited to unveil the finished product when we return to school!

Finally, please remember Friday, April 10, is our Spring Holiday. Teachers will not be online that day, and I hope you'll give your child(ren) the day off, as well. Please enjoy the long weekend with your families, minus school work! After these last two weeks, we have all earned a few days away from our screens.

As always, I'm wishing everyone well. Please stay safe, support one another through these challenging times and know our Santan Elementary School Community will emerge from this experience stronger than ever!

Sending smiles,
Amy O'Neal
