Hello Santan Families,

Based on current metrics, the CUSD Governing Board voted to move up our in person return for all elementary students during last night's meeting. We will be utilizing a staggered model in which PreK-2nd grade students will return to in person instruction on Monday, September 14, along with all students enrolled in Specialized Classrooms. Students in 3rd-6th grade will return Monday, September 21. Over the next week, we will be ensuring all preparations are completed, and we will also be communicating all necessary information to all our Santan Elementary families. These dates apply to the students enrolled in our current Virtual to In Person model, not the students enrolled through COA.

We are looking forward to seeing all of the kids in person very soon!
