Dear Parents of Santan Elementary Students:

The following is a form that you may consider completing if you wish to provide the school with parent input regarding your child's placement next year. We share in your desire to provide the best classroom environment for your child and will use this information to ensure that equitable, compatible and balanced classes are assembled. Please keep in mind that this is **NOT** a teacher request form, but rather an opportunity to share information about your child that we should consider when placing him/her. In order for your form to be considered we request that you complete the entire form. We believe that **ALL** of our teachers are **TERRIFIC** and we will do our best to match student needs with specific environments. Class placement information will be sent via email during the week before school begins, prior to Meet the Teacher.
