

Hello Santan Families!

First grade is having a fundraiser to help us raise money for various classroom needs. We will be selling mini cones of Popcornopolis popcorn. They will be \$2 per cone. The flavors available are; Cinnamon Toast, Caramel, Kettle, and Zebra.

They will be available in each first grade classroom.

Your child may come to our classrooms in the morning to purchase them. Please only send in the exact cost of the purchase. We won't have change.

Popcornopolis is an amazing brand that many people love, so this would be a perfect holiday gift for everyone from a coach, babysitter, tutor, hairdresser, nail tech, exterminator, or anyone else who you might want to send a yummy treat!
