

Hello Santan Families,

As our first week of Distance Learning draws to a close, we're looking ahead toward Week Two. For those of you who have indicated you would like a hard copy packet, your teachers have communicated this to me, and packets are printed, copied and ready for pick-up. We are also, in order to make things easier for everyone, going to be sending home STUDENT CONSUMABLES. Both packets and consumables will be available for pick-up on Monday, April 6, from 9:00 a.m.-12:00 p.m.

As we are attempting to limit the amount of time spent on campus and in the presence of others, please try to pick-up during the time period indicated. If you are unable to be here during the window, there will be additional packets located outside the front office. If you are picking up a packet from those left, PLEASE only take the packet needed and not the whole envelope. Consumables will not, however, be available again until the following week, as we don't want them to be taken mistakenly.

We appreciate your patience with us as we all get used to something entirely different. It is our great hope that we'll get through this as soon as possible and be able to resume our lives and the in-person education of your child(ren).

Wishing you all well,
Amy
