Hamilton High School Policies and Procedures

Assembly Conduct

Students must sit in the section provided for their class. Students who do not conduct themselves properly will be removed from assemblies and banned from future participation.

Attendance

High School administration, faculty and staff encourage students to be at school on time every day. Student attendance closely matches student academic achievement. Students who are absent from school miss the introduction of new material, interactions with peers in discussions, activities and presentations. The attendance policy is intended to involve parents, to teach students responsibility and to provide for optimum instruction and academic accountability. Administration may require medical documentation for excessive or habitual absences.

A. Tardy To School

In order for a student to be excused from class when he/she is late to school, the student must check in at the attendance desk to be **signed in**. In order to excuse the tardy, the attendance office must **receive a phone call within a 24-hour period from a parent/guardian**. A note from the doctor's office, dentist office or court system will also excuse a student in lieu of a parent calling. An unexcused reason for a tardy will result in an unexcused pass to class. For the first period of the student's school day, he/she will be allowed five (5) tardies, excused or unexcused. For every five (5) tardies, the student will be assigned to Saturday School.

B. Tardy To Class

Students whose tardy is unexcused for any period except the student's 1st period of the day will receive consequences based on the teacher's classroom policy (i.e after school detention, loss of points, etc.). If a student comes to school late after first period and would be considered tardy to a class, the student must check in at the attendance desk to be **signed in**. In order to excuse the tardy, please refer to the school procedures outlined above in the Tardy to School section. A parent/guardian may not call in to excuse a tardy when a student is traveling from class to class.

Additional disciplinary measures may be taken against students who are habitually tardy.

C. Absences

An absence is recorded any time a student misses 15 minutes or more of a class period. Absences can be defined as excused or unexcused.

1. Excused Absences

A parent or legal guardian must call the attendance office within 24 hours of the absence to officially excuse students from school or particular periods of classes during the day. When a parent brings or picks up a student, he/she must be signed in/out at the attendance office. If a student needs to leave campus during school hours, he/she must go to attendance **before school** to get a pass, pending parent verification. No student will be permitted to leave campus without a pass from attendance.

Students are responsible for making arrangements with their teachers to complete make-up work for excused absences. The make-up work must be completed within the same amount of time after returning as the class periods absent from class (for example, allow two class periods to complete make-up work for two class periods of absences).

Excused absences include, but are not limited to: individual illness or health conditions, serious illness in the immediate family (documentation required), religious holidays, death in the immediate family, school sanctioned activities, and medical and dental appointments (documentation required).

Excessive Absences

A.R.S. §15-803 (B) states that absences may be considered excessive when the number of absent days exceeds ten percent of the number of required attendance days prescribed in A.R.S. §15-802. Ten percent equates to nine (9) days of absences per semester regardless of whether they are excused or unexcused. Students with excessive excused absences may be required to provide medical documentation to remain in class and excuse any further absences. If additional absences occur, and medical documentation is not provided, the student will be referred to administration.

2. Unexcused Absences

Unexcused absences are considered trancies. If a student misses only one period, the unexcused absence will be considered as ditching class, and the student may be referred to administration.

While parents may be aware of these circumstances, the absence will remain unexcused for attendance purposes. Work cannot be made-up for credit for unexcused absences. A parent/guardian phone call will not be justification as an excused absence.

D. Consequences for Absences:

The following actions will be taken after five (5) and after nine (9) excused/unexcused absences per semester and if a student reaches 10 consecutive absences in a semester:

1. **Five Absences**

When a student reaches five (5) absences whether excused or unexcused, they will receive the 5-Day Absence Warning Letter. The parent/guardian will receive the letter via email (or U.S. Mail if email is not available).

2. **Nine (9) Absences**

When a student reaches nine (9) absences whether excused or unexcused, they will receive the 9-Day Absence Final Warning Letter. The parent/guardian will receive the letter via email (or U.S. Mail if email is not available).

3. **10 or More Absences**

Once a student reaches 10 or more absences, they will be referred to administration.

4. **10 Consecutive Absences**

After 10 consecutive days of absences per semester, the state requires schools to automatically withdrawal the student.

Sign Out Policy:

Students are not permitted to leave campus without permission. Parent /guardian must show picture ID in order to pick up a student. Anyone other than the parent/guardian on campus to pick up a student must be listed on the emergency card. Seniors with a half day must show their ID to security each day to leave school grounds.

Students leaving campus who drive:

Hamilton High School is a closed campus therefore we require parents to call and send in a written note with the student if he/she is to leave campus. Students will need to drop off their note in the morning at the Attendance Office. However, if a student needs to leave campus during school hours and does not have a note, parents may call the Attendance Office and email or fax over a signed note giving them permission to leave. Written permission MUST include parent/guardian name, parent/guardian contact information, relationship to the student, student's full name, ID number, the time student should be released, and a parent signature.

If the student does not check out in Attendance before leaving campus, it will be considered an unexcused absence.

Extra-Curricular Participation Policy

Students who are absent from school are not allowed to participate in extra-curricular activities held on that day.

Bookstore

The school for the convenience of all students operates the bookstore. The store will be open on school days from 7:30am to 3:00pm. Students are not allowed to go to the bookstore during class time.

Change of Address and Telephone Number

It is very important that all students notify the registrar's office immediately of any change of address or telephone number at (480) 883-5024.

Clubs

Hamilton has over 100 clubs for our students to choose from. We will have a Club Fair at the beginning of each semester for our students to learn more about clubs to join.

Cheating / Plagiarism

Copying the work of another person and submitting it as your own, obtaining unauthorized or undocumented material from the Internet or other sources, or securing teacher materials or work in a dishonest or unauthorized way are all considered *cheating*. Allowing another student to copy your work is considered cheating. Cheating may be cause for removal from National Honor Society or any other leadership position held in the school.

The below listed consequences for Cheating/Plagiarism offenses are for the student's accumulative time here at Hamilton. Example – A 9th grader cheats on an exam and receives a zero on an assignment (First Offense). The same student in their 10th grade year cheats on a test will receive a zero on the assignment and a 3-day off-campus suspension (Second Offense).

First Offense: Includes a referral, a phone call to the parent, and a zero on the assignment,

Second Offense: Includes a referral, a phone call to the parent, and a zero on the assignment, accompanied by a three-day off-campus suspension.

Third Offense: Includes a referral, a zero on the assignment, along with a nine-day off-campus suspension.

Fourth Offense: Includes a referral, a zero on the assignment, along with a nine-day suspension, being dropped from the class with a grade of “F,” along with consideration for alternative school placement.

Closed Campus

Students: Students are to remain on campus from the time of arrival in the morning until after their last class of the day. If a student is off-campus without permission, this is an off-campus violation and may result in consequences from administration.

Non-students: For reasons of security, only those officially enrolled as students are permitted on campus during the school day. Parents and others wishing to conduct official business must report first to the administrative offices. All others may be deemed as trespassers and are subject to arrest (ARS Title 13).

Counseling Services

Students are urged to contact counselors. Interview appointments can be made at the counseling office before school, during lunch or after school. Counselors and/or social workers are available to answer questions and to discuss problems.

Daily Announcements

Announcements are published on e-mail and posted on the web page. These are read each day, over the P.A. system. All announcements must be turned in to the assistant principal’s office or mailbox by 1:00 p.m. the day before that announcement is to be run.

Distribution of Materials

Information (announcements, pamphlets, newsletters, memos, etc.) may not be distributed to other students or staff on campus without prior authorization from administration.

Dress Code

HHS follows the District’s Dress Code policy (See page 21). The following guidelines are used by staff at HHS to ensure the policy is being adhered to: Garments that are “see-through,” cut low, or expose one’s midriff are not acceptable. Sleeveless garments must extend to the end of the shoulders and fit closely under the arms. Clothing should have adequate coverage to allow a full range of movement without skin or undergarments showing. Undergarments must not be visible. Clothing must cover the entire buttocks and extend a reasonable length to ensure modesty.

Electronic Devices

CUSD BYOT Responsible Use

We are pleased to be able to offer “Bring Your Own Technology” as an option to expand student and staff access to online and other educational electronic resources. Here are the expectations for use of personal electronic devices on our campuses.

Chandler Unified School District BYOT Philosophy

Our philosophy is to assist all members of the Chandler Unified School District community to be **good digital citizens** – students and staff who use technology to support learning in a meaningful, safe and responsible way, in accordance with all applicable state and federal laws. (NOTE: Regulations, consequences, and possible disciplinary action for inappropriate use of the network and electronic devices are already covered by the CUSD Acceptable Use Policy, a separate document available at:

<http://cusd80.com/AUP.>)

Purpose of and Permissions to Use Personal Electronic Devices at School

Like other personal items that may be brought from home to school, there are times and places where the use of personal electronic devices is beneficial to instruction, and other times when it is not. The expectation is that personal electronic devices are to be used only for instructional purposes, in appropriate times and places as determined by each school’s principal. Teachers who permit the use of personal electronic devices in class are expected to model and teach responsible use of the Internet, to monitor students’ use of the devices, and to set up any applicable classroom procedures and rules pertaining to this use. Teachers or other staff may be able to assist, but cannot be expected to troubleshoot problems with the students’ technology.

Internet and Network Access

We maintain a filter that blocks harmful content on the Internet from students. When you sign this agreement and bring in your own device, you will be allowed to use the district-supplied, filtered network for Internet access at your school, if available. **The District reserves the right to monitor use of the District’s systems for improper use without advance notice or consent.** Your signature indicates your understanding that any activity that occurs with the use of the District’s internet and network systems are not private and may be accessed by the District for the purpose of ensuring proper use. Your signature also indicates your understanding that we cannot filter any non-district network connections (such as 3G or 4G) that may be already present on your device, and that you agree to follow the Acceptable Use Policy and all other related CUSD policies related to Internet use, regardless of the network you use. Use of electronic devices outside of these conditions is not allowed, can be considered a distraction to instruction, and will be handled as already described in the Student Handbook.

Examples of What You MAY Do With Your Device at School:

Using the device at times and in places when the teacher has given permission for you to use them, such as:

- Conducting research on the web for a school project –citing resources, following copyright law, respecting the intellectual property of others
- Creating documents in collaboration with other students when working in groups
- Participating in class discussion threads, using respectful language to others
- Engaging in class activities using your device as a responder
- Taking a photo or video of a project to put into a class presentation

Examples of What You MAY NOT Do With Your Device at School:

- Texting to others for non-instructional purposes
- Bullying or threatening others
- Playing non-educational games
- Attempting to bypass network security or engaging in hacking
- Taking a photo or video of another person and posting it to the Internet
- Sharing personal information with others
- Engaging in plagiarism or copyright infringement

Please note that use of personal electronic devices is left to the discretion of the classroom teacher. The teacher will make the final determination of when use of personal electronic devices is appropriate.

You are encouraged to:

- Personalize your device with a case, school-appropriate skins, decals, wallpaper, etc. that will make it easier to distinguish your device from other students' similar devices.
- Charge your device before bringing it to school. (It will not be possible to charge student devices at school.)
- Keep track of your personal electronic device. The school and district is not liable for your losses due to theft, damage, or other financial harm.
- Follow the Acceptable Use Policy and school and class rules. Remember that BYOT is a privilege, not a right. This privilege can be taken away if abused.
- Install, update, and use virus protection on your device. If your device is determined to be the source of virus infections or security problems, access may be discontinued.

Students bring these devices to school at their own risk. **If a student has a cell phone or other electronic device on campus or on the bus and it is damaged, lost or stolen, schools will not utilize administrative time to investigate the incident nor will the District take any financial responsibility for the cell phone or cell phone charges or for any other electronic device.**

Students are allowed to use electronic devices before and after school hours. The students may use their devices in the cafeteria area during lunches.

Cell phones and electronic devices confiscated by school personnel can be retrieved from security.

Schools have the right to discipline students who use these devices under Board Policy JIC.

1st Offense – Parents of the student will be notified via E-mail about the Electronic Device being confiscated. The Student may pick up the Device at the end of the School day.

2nd Offense – The parent of the student will again be notified via E-mail and this time the **PARENT MUST PICK UP THE DEVICE IN PERSON** from security.

3rd Offense- The Parent will again be notified via E-mail and must **PICK UP THE DEVICE IN PERSON** from security. This time the consequences for the **STUDENT is A 4 HOUR BLOCK OF TIME AFTER SCHOOL DETENTION OR SATURDAY SCHOOL**, to be assigned by the administrator.

4th Offense- The Parent will again be notified via E-mail and must **PICK UP THE DEVICE IN PERSON** from security. This time the consequences for the **STUDENT is ONE DAY OF OFF CAMPUS SUSPENSION (OCS)** to be assigned by the administrator.

5th Offense and Subsequent- The **Parent will continue to pick up the device in person** from security. Consequences will be **OFF CAMPUS SUSPENSION (OCS)** number of days determined by the grade level administrator.

Final Exams

There are no final exam exemptions of any course offered at Hamilton. **Per CUSD Policy, students may not take semester final exams prior to the time they are scheduled. Students who are absent during semester final exams will receive an F for the final exam.** In order for the grade to be changed, students must take the final within the first two weeks of the next semester as arranged through administration.

Fire Alarms / Evacuations

When the FIRE ALARM sounds, students should evacuate the building in an orderly, quiet manner and follow the instructions of those in charge. Students should not stand on paved areas where emergency vehicles may need to pass. Students reporting and/or creating false fire alarms will be subject to disciplinary action from administration.

Food, Gum, Drinks

No gum is permitted in the building. No food or drinks are permitted outside of the cafeteria.

Graduation Ceremony

Hall Passes

Students are expected to remain in class during the entire instructional period. Leaving class should be an extremely rare occurrence. When a student receives permission from a teacher to leave the class, they must **be sure to obtain a pass from the teacher** and be prepared to show this pass whenever requested by anyone in authority. A student with no pass will be considered to be out of class without permission. This may result in a disciplinary action.

Hats

No hats of any kind shall be worn in the building except on special designated school spirit days. Hats are subject to confiscation if worn within the building.

Homework / Make-up work Policy

Students are responsible for making arrangements with their teachers to complete make-up work for excused absences or suspensions. Make-up work must be completed within the same amount of time after returning as the class periods absent from class (for example, allow two class periods to complete make-up work for two class periods of absences).

Work cannot be made-up for credit for unexcused absences.

To be a member in good standing, all eligible students must maintain a 3.8 GPA, attend required number of NHS yearly meetings, perform 20 hours of community service and uphold standards in character and leadership during the school year. Incidents of cheating and plagiarism could be grounds for non-admittance or removal.

School Nurse and Illness

The high school Health Office is staffed by a Nurse for emergency care, health consultation, and as a resource for students and parents. Specific procedures and permission forms are required for the School Health Office to administer any medications; be aware that written orders from the prescribing physician are required if students are to receive prescription medications during school hours. If students become ill and must go home, a student leave permit must be obtained from

the school Health Office and presented to the school Attendance Office before leaving campus.

Health Services

Please see the Health Services department on the district website www.myhandlerschools.org for specific information on forms required from parents and doctors, Medication Administration policy, Health Protocols for student illness, Immunizations, Hearing and Vision Screening programs, and information on specific health conditions for school.

Organizations or persons desiring to display posters must have authorization by an administrator. All posters, decorations and tape must be removed by 6:00 a.m. the school day following the activity. Publicity for election campaigning must follow the rules of good taste. Posters can only be placed in designated areas.

Student Parking

In an effort to better serve the students of Hamilton High School, CUSD constructed a 900 space parking facility. The parking fee is \$40.00 per semester or \$80.00 per year. \$10.00 will be charged for the replacement of a lost tag. Applications may be picked up in E100, filled out, and returned to the assistant principal's office along with a receipt from the bookstore. Students may not give or sell their parking pass to another student.

Parking Rules

Parking is a privilege. Loss of parking privileges may result from, but are not limited to the following:

- Driving recklessly
- Transporting alcohol, illegal substances, or dangerous weapons
- Leaving campus without office approval
- Transporting students off campus that should otherwise be on campus
- Defiance of any staff member while on campus
- Parking hangers must be displayed at all times from the rear view mirror and must match the space parked in.

Students Park at your own risk. Failure to follow any of the above rules will result in booting of the vehicle. Hamilton High School is not responsible for vehicular damage, theft, and loss of property or expenses/damages from booting.

“Students who drive vehicles to school will park at their own risk and must understand that neither the school nor the Governing Board can be held responsible for the vehicle.”

Dear CUSD Families,

As part of our efforts to maintain a safe, secure online experience for students, Chandler Unified School District uses a technology tool known as Gaggle in grades K-12. This scanning program reviews student Google files for inappropriate images and /or content identified by keywords. Gaggle will flag content referencing intentions of violence, drug and alcohol use, sex, self-harm, hate speech, pornography, etc. It will also analyze images to block pornography and obscene visuals from reaching students.

Gaggle representative review google files throughout the day and night and send alerts to administrators at the school and the district office. School administrators will contact parents/guardians when an alert is received. If a parent/guardian cannot be reached, administrators will contact local law enforcement to request a well-check on students of alerts regarding threats of self-harm.

All school rules apply to the content on a student's Google Drive. Students are encouraged to practice responsible digital citizenship.

Gaggle Speak Up is another tool CUSD will be using. This tool is an anonymous tip line for students to share concerns about school safety and the well-being of fellow students. Trained professionals evaluate content and send an email regarding non-life-threatening items to school administrators. They will also call school officials in emergency situations and can even contact local law enforcement.

Students may report:

- Bullying
- Students in crisis
- Weapons brought to school
- Planned fights
- Threats of violence
- Other urgent situations

Phone: 480-573-8808

We look forward to continuing to collaborate with families to support and meet our students' needs and to protect them while in our care.

Thank you,

CUSD District Administration

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

Notice for Directory Information

The *Family Educational Rights and Privacy Act* (FERPA), a Federal law, requires that Chandler Unified School District (CUSD), with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child's education records. However, CUSD may disclose appropriately designated "directory information" without written consent, unless you have advised the District to the contrary in accordance with District procedures. The primary purpose of directory information is to allow CUSD to include this type of information from your child's education records in certain school publications. Examples include:

- A playbill, showing your student's role in a drama production;
- The annual yearbook;
- Honor roll or other recognition lists;
- Graduation programs; and
- Sports activity sheets, such as for wrestling, showing weight and height of team members.

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent's prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, two federal laws require local educational agencies (LEAs) receiving assistance under the *Elementary and Secondary Education Act of 1965* (ESEA) to provide military recruiters, upon request, with three directory information categories – names, addresses and telephone listings – unless parents have advised the LEA that they do not want their student's information disclosed without their prior written consent. ¹

If you do not want CUSD to disclose directory information from your child's education records without your prior written consent, you must notify the District in writing within two weeks of the start of school, or within two weeks of initial enrollment, if not enrolled at the start of the school. CUSD has designated the following information as directory information:

PPRA affords parents certain rights regarding our conduct of surveys, collection and use of information for marketing purposes, and certain physical exams. These include the right to:

 4. Illegal, anti-social, self-incriminating, or demeaning behavior;
 5. Critical appraisals of others with whom respondents have close family relationships;
 6. Legally recognized privileged relationships, such as with lawyers, doctors, or ministers;
 7. Religious practices, affiliations, or beliefs of the student or parents; or
 8. Income, other than as required by law to determine program eligibility.
- Receive notice and an opportunity to opt a student out of –
 1. Any other protected information survey, regardless of funding;
 2. Any non-emergency, invasive physical exam or screening required as a condition of attendance, administered by the school or its agent, and not necessary to protect the immediate health and safety of a student, except for hearing, vision, or scoliosis screenings, or any physical exam or screening permitted or required under State law; and
 3. Activities involving collection, disclosure, or use of personal information obtained from students for marketing or to sell or otherwise distribute the information to others.

These rights transfer from the parents to a student who is 18 years old or an emancipated minor under State law.

Chandler Unified School District (CUSD) has developed and adopted policies, in consultation with parents, regarding these rights, as well as arrangements to protect student privacy in the administration of protected information surveys and the collection, disclosure, or use of personal information for marketing, sales, or other distribution purposes. CUSD will directly notify parents of these policies at least annually at the start of each school year and after any substantive changes. CUSD will also directly notify, such as through U.S. Mail or email, parents of students who are scheduled to participate in the specific activities or surveys noted below and will provide an opportunity for the parent to opt his or her child out of participation of the specific activity or survey. CUSD will make this notification to parents at the beginning of the school year if the District has identified the specific or approximate dates of the activities or surveys at that time. For surveys and activities scheduled after the school year starts, parents will be provided reasonable notification of the planned activities and surveys listed below and be provided an opportunity to opt their child out of such activities and surveys. Parents will also be provided an opportunity to review any pertinent surveys. Following is a list of the specific activities and surveys covered under this requirement:

- Collection, disclosure, or use of personal information for marketing, sales or other distribution.
- Administration of any protected information survey not funded in whole or in part by ED.

STUDENT I.D. CARDS

All students are required to have their photo ID card issued by the high school they are attending in their possession at all times, including during extracurricular activities, while on campus, and students must present it at the request of any faculty or staff member. The ID must be accessible, legible, and in its original condition. Students who fail to comply will be subject to disciplinary action. A free student ID is available the first two weeks of school or within two weeks of enrollment. If the card is lost or stolen, there is a \$5.00 replacement cost. The ID card must be returned when withdrawing from school.

STUDENT ACTIVITY PASS

A student activity pass is available at the beginning of each school year. The cost varies by site, \$35.00 - \$50.00. This pass entitles students to free admission to all home athletic contests except A.I.A. tournaments. With the card, some social activities on campus will have reduced costs. The pass will double as a student I.D. for school activities. Replacement cost is \$5.00.

GUESTS FOR DANCES AND SCHOOL-SPONSORED ACTIVITIES

Students may invite guests to designated school dances. Prior approval must be secured from school administration. Students in grades 9-12 from other schools may be invited as guests, but are subject to the same dance and school regulations as District high school students. Guests must be 20 years of age or under and must bring a current photo ID with birth date.

REPORT CARDS – Policy IKA-R/IKAB

Report cards are issued at the end of each nine-week grading period. **Chandler Unified began paperless grade reports in the 2015-2016 school year.** All progress reports and report cards can be printed from the Infinite Campus portal. *If you still require a paper copy, please inform your school.*

Grade	Performance	Grade Points	Honor Courses

C	Average	2	3
D	Below Average	1	1
F	Failure	0	0

PROGRESS REPORTS – Policy IKAB

FINAL EXAMS

Students may not take semester final exams prior to the time they are scheduled. Students who are absent during semester final exams will receive a Zero (0%) for the final exam. In order for the grade to be changed, students must take the final within the first two weeks of the next semester as arranged through administration.

TECHNOLOGY RESOURCES (MOVIES/VIDEOS/ELECTRONIC MATERIALS) IJND-R

Movies, videos and electronic materials with ratings other than for general audiences of all ages are not to be shown in classrooms or at any District facility (this includes buses and motels where students are present) except when:

- The movie, video or electronic material has been previewed by the teacher or other certificated staff member.

- The movie, video or electronic material has been determined to not contain material that is objectionable or inappropriate for the age group to which it is intended to be shown.
- The responsible school administrator has approved of the use of the movie, video or electronic material prior to its showing.
- The teacher or other certificated staff member has provided advance notification to each student's parent(s), or other responsible adult, of the title of the movie, video or electronic material and the date on which it will be shown.
- When a movie, video or electronic material has a rating, the above advance notification will include the rating and the source providing the rating.
- A student whose parent(s) or other responsible adult has provided notice of their disapproval will not be permitted to view the movie, video or electronic material.

Parents have the right to request that their child not view any movie or video, regardless of its rating or the purpose for which it is to be shown.

A parent or guardian who objects to any learning material or activity on the basis that it is harmful includes objection to a material or activity because it questions beliefs or practices in sex, morality, or religion or, because of sexual content, violent content, or profane or vulgar language, may request to withdraw that student from the activity or from the class or program in which the material is used and request an alternative assignment. *Please reference CUSD Board Policy IJND*

NATIONAL HONOR SOCIETY MEMBERSHIP

To be a member in good standing, all eligible students must maintain a 3.8 weighted cumulative GPA, attend required number of NHS yearly meetings, perform 20 hours per year (10 hours per semester) hours of community service and uphold standards in character and leadership during the school year.

CUM LAUDE RECOGNITION

All CUSD high schools use the Cum Laude recognition program. This recognition program is used to acknowledge the most academic successful students at graduation, which allows for more of our outstanding seniors to be recognized than the valedictorian/salutatorian concept allows. The grade point average after the 7th semester is used to determine the category. The categories for distinction under the Cum Laude recognition program are as follows:

- Cum Laude - meaning "with praise". To qualify a student must achieve a 3.75 - 4.24 GPA.
- Magna Cum Laude - meaning "with great praise". To qualify a student must achieve a 4.25 - 4.49 GPA
- Summa Cum Laude - meaning "with the highest praise". To qualify a student must achieve a 4.5 - 5.0 GPA

AIA ELIGIBILITY – Policy JJIB

To participate in extracurricular activities that involve interscholastic competitions or A.I.A. approved adjudication, students must pass all the classes on their schedules. Grades are reported every 4-1/2 weeks either through progress reports or report cards. If a student receives a failing grade, he or she will be declared ineligible on the day following issuance of report cards or progress reports. If a student is ineligible, the student must attend study hall every school day within one week, usually five (Monday through Friday). The student must pass the class(es) on the Friday of the week study hall is served. The student will gain eligibility on the following Monday only.

INELIGIBILITY/REMEDATION

Students have the opportunity to remediate the deficiency resulting in ineligibility for all grades except cumulative final semester grades. An administrator will assign the student who has failed at the 4 ½ or 9 week periods to tutorial study hall and monitor the student attendance and grades. If after one week of full attendance at study hall, the student's grades improve to the point of eligibility, eligibility will continue from that point on until the next progress report or report card.

A student whose final grade for a course at the end of either the fall or spring semester is an "F" will be assigned by an administrator to tutorial study hall. The student's attendance and grades will be monitored. If after one week of full attendance at study hall, the student's grades improve to the point of eligibility, eligibility will continue from that point on until the next progress report or report card.

Note: Students may practice with their team or group while ineligible. ***Students may not travel with the team, dress out or compete*** while ineligible.

Special Provisions

Special education students will have their GPAs figured at face value. If the principal feels it necessary, a special staffing may be convened to consider eligibility. Final eligibility decisions rest with the principal.

Any student whose behavior presents a problem or jeopardizes school discipline will be restricted from participation in extracurricular activities until such time that his or her behavior warrants reinstatement.

RANDOM STUDENT DRUG TESTING – Policy JJIE

All students in ninth through twelfth grade who participate in Arizona Interscholastic Association (AIA-Eligible) sports and/or extracurricular activities will be a part of the Random Drug-Testing Pool. Both a student and his or her parent must sign (written or electronic) the drug testing permission slip and agree to submit to Random Drug Testing if the student wants to participate in an AIA Sport or Activity. The student will stay in the drug testing pool for the entire athletic season.

There are no academic consequences for a positive drug test, however, a positive drug test will result in increasing loss of eligibility for AIA-Eligible sports or activities. These consequences are cumulative for the entire time a student participates in AIA-Eligible sports and/or activities, which could be four years.

CONCUSSION EDUCATION COURSE - BRAINBOOK

If there is a lockdown, administration will maintain communication with the District Office and the police department.

FERPA RIGHTS

The Family Educational Rights and Privacy Act (FERPA) is a complex Federal law that protects the privacy interests of parents and students with regard to educational records. Generally, FERPA gives parents the right to inspect and review their children's education records, request amendment of the records, and have some control over the disclosure of information from the records. When a student turns 18 or enters college, FERPA classifies him or her as an "eligible student" and transfers the rights under the Act from the parent to the student. FERPA requires school districts to notify parents and eligible students annually of their rights under the Act. When you turn 18 years of age, you have the right to your FERPA records.

ADA/TITLE IX

The District does not have TDD's in use through out the District. Please feel free to use the TTY relay or video relay services. School office staff can be assisted to help family and community with TTY relay or video relay services with help from the CUSD Hearing Impairment department. Please contact Pupil Personnel Services for help.

CHANDLER UNIFIED SCHOOL DISTRICT GUIDELINES FOR MEDICATION – Policy JLC/JLCD

All medication is to be brought to school by the parent/guardian in a properly labeled container from the pharmacy and/or the original unopened, over the counter packaging. No expired medication will be accepted. You may ask the pharmacist to label two containers: one for school and one for home. Medications will not be sent home with students daily.

Medications will NOT be crushed without a licensed health care provider order. Parent/guardian is required to provide student specific pill crusher. If a medication needs to be cut in half, it will be done by the parent/guardian NOT the health assistant or nurse.

Any medications that the District/school nurse feels are unsafe will not be given until medical provider clarification is obtained. School nurses must follow all State Scope of Practice regulations.

Students will NOT be allowed to carry or administer their own medication except with special written permission from the parent/guardian, licensed healthcare provider, building administrator/principal, and school/District nurse. This includes prescriptions, over the counter medications and natural/ herbal supplements. **No controlled substances will be allowed for self-carry for the safety of all students.**

The parent/guardian is responsible to pick up the child's medication at the end of the school year. Any medication left over will be discarded on the last day of class. **No Exceptions.**

Medications will not be given at school that mask COVID-19 like symptoms. (i.e. headache).

Prescription Medication:

- Prescription medication must be prescribed by your child's Arizona healthcare provider and filled by a licensed pharmacy. Medication prescribed by out-of-state healthcare providers can be administered for up to 60 days. After 60 days, the prescription must be replaced by a provider licensed in the State of Arizona. No Prescriptions from outside of the United States will be accepted.
- Medications prescribed to be taken one (1) two (2) and three (3) times a day are not routinely given at school. Exceptions may be made if the nurse discusses the need with the healthcare provider and they find this is necessary.
- A Consent for Medication Administration form must be filled out and signed by the child's healthcare provider, and the parent/guardian, in order for prescription medication to be given.
- A new Consent for Medication Administration form must be completed and signed by the child's healthcare provider for any changes to prescription medication (dosage, timing, etc.), including each new school year.
- The student is responsible for coming to the health office or to the designated person to take the medication.
- Narcotic pain medication, controlled substances, CBD oil and medical marijuana will not be given in the general education setting at school for the safety of the student. (ARS§15-108).

Medication will be given in accordance to package directions. Dosage must be weight and age appropriate per label (i.e. children specific formula).
- If medication is to be administered for three (3) consecutive days, a healthcare provider order must be submitted to the school health office for continuing administration of the medication beyond the three (3) days to ensure that use of this medication is not masking symptoms of a serious condition in the student.
- In order to minimize the possibility of a drug overdose, non-prescribed medications will not be dispensed during the first and last hours of the school day.

- A new Consent for Medication Administration form is required for each school year.
- The health office does have a supply of Acetaminophen (Tylenol) in pill form that we can give to your student if they will benefit from it and help keep them in school. For us to administer, the parent/guardian must give permission during the online registration process each school year. The frequent use of Acetaminophen (Tylenol) has been shown to cause liver problems in both children and adults therefore; we will use Acetaminophen (Tylenol) at our discretion. If we find we are administering Acetaminophen (Tylenol) on a recurrent basis, you may be contacted to provide a note from your doctor along with a supply of the medication for the health office.

Natural/Herbal Preparations and Dietary Supplements:

Supplements are not regulated by the FDA. Under the Dietary Supplement Health and Education Act (DSHEA), the FDA treats supplements like food. Supplements can include minerals, vitamins or other natural biological substances and they are available in a variety of shapes and sizes, including concentrates, extracts, capsules, tablets, liquids and powders. Because these are not regulated by the FDA we have guidelines in place to ensure the safety of all students.

- All Natural, Herbal and Dietary supplements will be dispensed to students upon the completion and signature of the Consent for Medication Administration form by the parent/guardian.
- A new Consent for Medication Administration form is required for each school year.
- Supplement must be in original unopened container with all instructions intact on that container.
- If supplement is to be administered for more than three (3) consecutive days, a medical provider's order may be necessary.
- Supplements will not be given the first and last hour of the school day to avoid any possibility of overdose.

DRESS CODE-Policy JICA

Each year parents ask for guidelines as they help students select appropriate attire for school. School pride, morale and image are influenced by the general appearance of students. CUSD wants to provide opportunities for students to express themselves within the set of parameters listed below:

Students shall not wear:

- Tank tops
- Halter-tops
- Garments with spaghetti straps
- Strapless garments
- Trench Coats

Garments that are “see-through,” cut low, or expose one’s midriff are not acceptable. Sleeveless garments must extend to the end of the shoulders and fit closely under the arms. Clothing should have adequate coverage to allow a full range of movement without skin or undergarments showing. Undergarments must not be visible. Clothing must cover the entire buttocks and extend a reasonable length to ensure modesty.

Vulgar, Offensive Messages

Students shall not wear clothing that display messages that are vulgar, offensive, obscene, or libelous; that demean others on the basis of race, color, religion, creed, national origin, gender, sexual orientation, or disability; that promote alcohol or drug use or violence; or that are otherwise contrary to the school’s educational mission.

Sagging Pants

Students shall not wear pants that, when fastened, sag or fit below the waist. All pants must fit around the waist and be properly fastened.

Gang-Related Attire

Any attire or grooming deemed to be gang related is prohibited when such attire or grooming creates an atmosphere of threat, intimidation or undue pressure or disrupts the educational environment/process or interferes with curriculum goals/educational objectives.

Footwear/Jewelry/Accessories

- Shoes or sandals must be worn at all times on campus according to state law and for student safety.
- Body piercing that is a safety hazard and/or hinders performance in a classroom is not allowed.

Student/Parent Responsibility

Students and their parents/guardians have the responsibility to be aware of the school’s dress code and conform to these requirements. Each school will meet the minimum guidelines of the District dress code but may add other restrictions if the school administration deems it necessary. If a student or parent has any questions about whether specific attire or accessories are in compliance with the dress code, they should contact an Assistant Principal at their school site prior to wearing such attire or accessories to ensure compliance.

Administrator Discretion

2. Must have an opportunity to accept or deny the accusations.
3. Must have the factual basis for accusations explained to them.
4. Must have a chance to present an alternative factual position if the accusations are denied.

ABUSE OF TEACHER OR SCHOOL EMPLOYEE IN SCHOOL

Arizona State Statutes (ARS §15-507 states that a person who knowingly abuses a teacher or other school employee on school grounds or while the teacher or employee is engaged in the performance of his duties is guilty of a class 3 misdemeanor.

ALTERNATIVE SCHOOL ASSIGNMENT

Under Arizona law (A.R.S. 15-841 E and F) a school district may reassign a student to an alternative education program if the student refuses to comply with school rules, refuses to pursue the required course of study, or refuses to submit to the authority of teachers, administrators or the Governing Board. A student can also be reassigned if he/she threatens an educational institution as defined in A.R.S. 13-2911.

MANDATORY REPORTING OF CRIMINAL ACTIVITY TO LAW ENFORCEMENT

Arizona State Statutes (ARS § 13-3620) require schools and school employees to report criminal activity to local law enforcement. Schools are also required to report incidences of child abuse, neglect, and crimes against children to local law enforcement and department of child safety services.

Recent changes in the law require schools to report threats, or rumors of threats, made against schools, students and school personnel. Schools must also report all incidents of non-accidental injuries that might occur during altercations at school.

According to ARS § 15-341 staff members are to report any suspected crimes against persons or property and any incidents that could potentially threaten the safety and security of pupils, teachers, or administrators to local law enforcement.

BODY WORN CAMERAS (BWC'S)

Increasingly, law enforcement agencies are utilizing BWC's in their law enforcement practices, including those agencies that collaborate with the District. We have requested and been provided with information concerning how these devices may be used. While each agency has adopted its own policy for the use of BWC's, we wanted to provide you with the following information below.

Generally, BWC's will only be turned on when there is a "law enforcement action" taking place or when deemed appropriate by the officer. BWC's are typically NOT utilized in the following circumstances:

- Traditionally private settings (bathrooms, locker rooms, during medical exams, etc.) absent a compelling reason to do so.
- When the victim of a sexual assault requests that a recording not be made.
- During casual interactions with individuals (i.e. when there is no law enforcement action), e.g., greeting and talking to students, when teaching law related classes, and when simply being a crime deterrent presence.
- When making a recording would be impossible, impractical, or unsafe.

All law enforcement agencies must comply with A.R.S. § 1-602(9), which requires, in pertinent part, written parent consent prior to making a video or voice recording, unless the video or voice recording is made by law enforcement officers during or as part of a law enforcement investigation, during or as part of an interview in a criminal or child safety services investigation or to be used solely for any of the following:

- Safety demonstrations, including the maintenance of order and discipline in the common areas of a school or on pupil transportation vehicles;
- A purpose related to a legitimate academic or extracurricular activity;
- A purpose related to regular classroom instruction;
- Security or surveillance of buildings or grounds; or
- A photo identification card.

Such students may be removed from their respective attendance boundary schools and placed in alternative educational programs.

Local law enforcement shall be notified by the Superintendent regarding any suspected crime against a person or property that is a serious offense, involves a deadly weapon or dangerous instrument or that could pose a threat of death or serious injury to employees, students or others on school property. The staff member shall preserve the confidentiality of those involved, disclosing the incident only to the appropriate school administrator or next higher administrative supervisor or as otherwise required by law. If evidence suggests that conduct complained of under this policy also constitutes a crime, the supervisor shall stop the investigation and promptly report to the appropriate law enforcement agency. If evidence suggests the conduct complained of under this policy constitutes child abuse, the incident should be reported according to the Administrative Regulation JLF. To assure that students and staff are aware of its content and intent, a notice of this policy and procedure shall be posted conspicuously in each school building and shall be made a part of the rights and responsibilities section of the student handbook. Forms for submitting complaints are to be available to students and staff in the school offices.

Disposition of all reports/complaints shall be reported to the Superintendent. The Superintendent will determine if the policies of the District have been appropriately implemented and will make such reports and/or referrals to the Board as may be necessary.

All violations of this policy shall be treated in accord with the appropriate procedures and penalties provided for in District policies related to the conduct and discipline of students, staff, and others. This information can be referenced in Governing Board Policy JICFA and JICFA-EA.

SEXUAL HARASSMENT INVOLVING STUDENTS

BOARD POLICY ACAB SUMMARY

Prohibition Against Sexual Harassment. Sexual harassment is prohibited.

Types of Prohibited Sexual Harassment. Sexual harassment is unwelcome conduct of a sexual nature. It can take two forms:

- ***Quid pro quo harassment*** occurs when a school employee or person of authority causes a student to believe that he or she must submit to unwelcome sexual conduct in order to participate in a school program or activity. It can also occur when an employee or person of authority causes a student to believe that the employee or person of authority will make an educational decision based on whether or not the student submits to unwelcome sexual conduct.
- ***Hostile environment harassment*** occurs when unwelcome conduct of a sexual nature is so severe, persistent or pervasive that it affects a student's ability to participate in or benefit from an education program or activity, or creates an intimidating, threatening or abusive educational environment. A hostile environment can be created by a school employee, another student or someone visiting the school

Examples of Sexual Harassment. Sexual harassment can take many forms and can occur on or off school campus (i.e. on field trips, on off-campus athletic events). Girls can sexually harass girls and boys can sexually harass boys. Depending upon the circumstances, sexual harassment may include, but is not limited to:

- Suggesting that a scholarship or college application will be denied if the student reports the sexual harassment behavior or fails to comply with sexual requests, or actually taking action to see that a scholarship recommendation or college application will be denied if the student reports the sexual harassment behavior or fails to comply with the sexual requests.
- Any coercive sexual behavior used to control, influence, or affect educational opportunities, grades, and/or the learning environment of a student, including a request for sexual favor from a person of authority.

Gender Based Harassment. Gender based harassment is a form of prohibited sexual harassment that occurs because a student does not conform to gender stereotypes.

Prompt and Thorough Investigation. If harassment is reported, or if it is widespread or well known to students and staff, the District shall respond. The District will investigate and document alleged acts of sexual harassment in a prompt and thorough manner.

Prompt Remedial and/or Disciplinary Action. If the District determines that sexual harassment has occurred, the District will take effective steps to end the harassment and prevent it from happening again.

The District shall take prompt remedial and/or disciplinary action against individuals who have engaged in activities prohibited by this policy. STUDENT INTERROGATIONS, SEARCHES AND ARRESTS

BOARD POLICY JIH AND JIH-R SUMMARY

INTERVIEWS:

School officials may question students without limitation with regards to all relevant matters. The parent will be contacted if a student interviewed is then subject to discipline for a serious offense. A student may decline at any time to be interviewed by the School Resource Officer (SRO) or another peace officer.

CHILD ABUSE CASES – Policy JLF:

If a department of child safety (DCS) worker or peace officer enters the campus requesting to interview a student attending the school, the school administrator shall be notified. Access to interview shall be granted when the child to be interviewed is the subject of or is the sibling of or is living with the child who is the subject of an abuse or abandonment investigation. The personnel of the District shall cooperate with the investigating department of child safety services worker or peace officer. If a student is taken into temporary custody in accordance with A.R.S. 8-821, the department of child safety services worker or peace officer may be reminded to notify the student's parent of the custody, pursuant to A.R.S. 8-823. The department of child safety services worker or peace officer shall be requested to establish proper identification and complete and sign a "Form for Signature of Interviewing Officer." Six (6) hours following the relinquishment of custody by the school, school personnel may respond to inquiries about the temporary custody of the child and may, if considered necessary, call the parent.

CASES WHERE SCHOOL SAFETY IS NOT AN ISSUE:

If a peace officer enters the campus requesting to interview a student attending the school on an issue other than upon request of the school or for abuse or abandonment, the school administrator shall be notified. If the officer directs that parents are not to be contacted because the interview is related to criminal activity of the parent(s)/guardian, the school official shall comply with the request. Unless these circumstances exist the parent will be contacted and will be asked if they wish the student to be interviewed. If the parent consents the parent will be requested to be present or to authorize the interview in their absence within the school day of the request. Where an attempt was made and the parent(s) could not be reached or did not consent within the school day of the request, the peace officer

will then be requested to contact the parent(s) and make arrangements to question the student at another time and place.

CASES WHERE STUDENT SAFETY IS AN ISSUE:

When a peace officer is present on the campus to interview students at the request of school authorities due to concerns for the safety of the students in the school population, parent contact shall only be made if a student is taken into custody or following the determination that the student may be subject to discipline for a serious offense. The SRO, present at the request of the school for the continued maintenance of safety and order, may interview students as necessary regarding school related issues as determined by school officials and parents will be contacted if the student is to be taken into custody or if the student is subject to discipline for a serious offense.

SEARCHES – Policy JIH

School officials have the right to search and seize property, including school property assigned to students, when health, safety, and/or welfare of the student(s) is in jeopardy, or when there is reason to believe that a search will turn up evidence that the student has violated school rules or the law. Searches may also include a student's personal property such as backpacks, pockets, and other personal effects. Disrobing of a student is overly intrusive for purposes of most student searches and is improper without express concurrence from School District counsel.

Items provided by the District for storage (e.g., lockers, desks) by students are school property and are subject to its control and supervision. Students have no reasonable expectancy of privacy in school-provided lockers, desks or other storage areas, and may be inspected at any time with or without reason, or with or without notice, by school personnel. The District reserves the right to monitor and inspect the student use of the District's technology, internet and network systems, with or without reason, or with or without notice, by school personnel.

ARRESTS

When a peace officer enters a campus providing a warrant or subpoena, or comes with the intent of taking a student into custody, the peace officer will provide proper identification, and complete and sign a form required of an arresting and/or interviewing officer for the school. The school staff shall cooperate with the officer, and may respond to parental inquiries about the arrest. The school may explain the relinquishment of custody by the school and the location of the student, if known, upon contact by the parent.

Short-term Suspension (10 days or less)

Students who violate school rules may receive off-campus suspension from administration for their rule violation. Students are removed from classes and assigned to a parent/guardian for the period of time specified by school administration. While serving an off-campus suspension, the student will not participate in any school activities, including athletic competition and practice, will not be permitted on campus, and must have a meeting with a site administrator prior to returning to campus. Students who receive a long-term suspension will not be permitted to make up class work while on suspension.

Expulsion – Policy JKE

The student is informed immediately that he/she is subject to expulsion. Due process procedure is explained. BYOT Responsible Use Agreement

(Signature required)

We are pleased to be able to offer “Bring Your Own Technology” as an option to expand student and staff access to online and other educational electronic resources. The purpose of this agreement is to outline the expectations for use of personal electronic devices on our campuses.

Chandler Unified School District BYOT Philosophy

Our philosophy is to assist all members of the Chandler Unified School District community to be **good digital citizens** – students and staff who use technology to support learning in a meaningful, safe and responsible way, in accordance with all applicable state and federal laws. (NOTE: Regulations, consequences, and possible disciplinary action for inappropriate use of the network and electronic devices are already covered by the CUSD Acceptable Use Policy, a separate document available at: <http://cusd80.com/AUP>.)

Purpose of and Permissions to Use Personal Electronic Devices at School

Like other personal items that may be brought from home to school, there are times and places where the use of personal electronic devices is beneficial to instruction, and other times when it is not. The expectation is that personal electronic devices are to be used only for instructional purposes, in appropriate times and places as determined by each school’s principal. Teachers who permit the use of personal electronic devices in class are expected to model and teach responsible use of the Internet, to monitor students’ use of the devices, and to set up any applicable classroom procedures and rules pertaining to this use. Teachers or other staff may be able to assist, but can not be expected to troubleshoot problems with the students’ technology.

Internet and Network Access

We maintain a filter that blocks harmful content on the Internet from students. When you sign this agreement and bring in your own device, you will be allowed to use the District-supplied, filtered network for Internet access at your school, if available. **The District reserves the right to monitor use of the District’s systems for improper use without advance notice or consent.** Your signature indicates your understanding that any activity that occurs with the use of the District’s internet and network systems are not private and may be accessed by the District for the purpose of ensuring proper use. Your signature also indicates your understanding that we cannot filter any non-district network connections (such as 3G or 4G) that may be already present on your device, and that you agree to follow the Acceptable Use Policy and all other related CUSD policies related to Internet use, regardless of the network you use. Use of electronic devices outside of these conditions is not allowed, can be considered a distraction to instruction, and will be handled as already described in the Student Handbook. (Please see the Student Handbook for more information about current policies related to technology use at school.)

Examples of What You MAY Do With Your Device at School:

STUDENT CONFINEMENT: PARENTAL NOTIFICATION AND CONSENT – Policy JLDB

Arizona law (A.R.S. § 15-843) requires school District discipline policies to address the confinement of students left alone in an enclosed space. Governing Board Policy JK, “Student Discipline” and related Regulation JK-R address this topic.

The District does not engage in the use of confinement for disciplinary purposes. However, pursuant to A.R.S. § 15-843, the District is required to notify parents/guardians that confinement may be used for disciplinary purposes and provide a process to obtain prior written parental consent.

Although the District does not anticipate the use of confinement for disciplinary purposes, it has adopted the following process to notify parents/guardians of the possible use of confinement for disciplinary purposes, as well as to obtain their prior written consent:

- The notification will be included in the student/parent handbook disseminated at the beginning of every school year.
- Parent consent will be obtained by having the parent indicate their agreement or disagreement for the use of confinement for disciplinary purposes on the Acknowledgement of Handbook Receipt form, completed yearly upon receipt of the handbook.

Please note: Arizona law and Governing Board Policy permit school personnel to place a student alone in an enclosed space without parental consent if the school principal or teacher determines that the pupil poses an imminent physical harm to self or others. In this case, the school principal or teacher shall make reasonable attempts to notify the student's parent/guardian in writing by the end of the same day that confinement was used.

Please indicate your consent or refusal to permit the confinement of your child alone in an enclosed space for disciplinary purposes where indicated below. By signing below, you are acknowledging that you have read this notification.

BYOT Agreement: Parental Notification and Consent

I understand and will abide by the above policy and guidelines, in addition to any applicable Governing Board Policies, Administrative Regulations, and State and Federal laws concerning the use of technology. I further understand that any violation may result in the loss of my network and/or BYOT privileges, as well as other disciplinary action, and/or legal action in accordance with law and Board policy.
