Assembly Conduct

Students must sit in the section provided for their class. Students who do not conduct themselves properly will be removed from assemblies and banned from future participation.

Attendance

High School administration, faculty and staff encourage students to be at school on time every day. Student attendance closely matches student academic achievement. Students who are absent from school miss the introduction of new material, interactions with peers in discussions, activities and presentations. The attendance policy is intended to involve parents, to teach students responsibility and to provide for optimum instruction and academic accountability. Administration may require medical documentation for excessive or habitual absences.

A. Tardy To Class

Students are expected to be seated in their classrooms ready to begin class work prior to the late bell. A one-minute warning bell signals the students to get to class quickly. A tardy is defined as “not being in an assigned seat when the late bell rings”. After four (4) tardies, a Teacher will write a referral and give to the grade level Administrator. The Administrator will take disciplinary action. Parents must call every time to excuse a tardy for their student.

B. Absences

After the first 15 minutes of class time is missed, a student is considered Absent.

1. Excused Absences

A parent or legal guardian must call the attendance office within 24 hours of the absence to officially excuse students from school. When a parent brings or picks up a student, he/she must be signed in/out at the attendance office. No student will be permitted to leave campus without a pass from attendance.

Students are responsible for making arrangements with their teachers to complete make-up work for excused absences. The make-up work must be completed with the same amount of time after returning as the class periods absent from class (for example, allow two class periods to complete make-up work for two class periods of absences).

Excused absences include, but are not limited to: individual illness or health conditions, serious illness in the immediate family (documentation required), religious holidays, death in the immediate family, school sanctioned activities, and medical and dental appointments (documentation required).

2. Unexcused Absences

Unexcused absences are considered truantries. If a student misses only one period, the unexcused absence will be considered as ditching class, and the student will be referred to administration.

While parents may be aware of these circumstances, the absence will remain unexcused for attendance purposes. Work cannot be made-up for credit for unexcused absences. A parent/guardian phone call will not be justification as an excused absence.

C. Consequences for Absences

The following actions will be taken after 7 absences per semester and after 10 consecutive absences.

1. Seven Absences

After 7 class period absences (excluding documented illness) per semester, the student may be placed on an attendance contract, dropped from the class to an alternative program, or dropped from the class with an “F”.

2. Ten Consecutive Absences

After 10 consecutive days of absences per semester, the state requires schools to automatically withdraw the student.

Additional disciplinary measures may be taken against students who are habitually tardy by the grade level Administrator.

Awards Night

All information regarding Academic Awards for 9-12th grades are located on the PHS website, under the tab “Information.” Senior students who are eligible to wear chords at graduation must meet established criteria. These chords will be given at PHS Senior Awards Night or other CUSD ceremonies. For a current list of Chords, Stoles and Hoods, please see the school’s website.

Bookstore

The school for the convenience of all students operates the bookstore. The store will be open on school days from 7:15 a.m. to 3:15 p.m. Students are not allowed to go to the bookstore during class time.

Change of Address and Telephone Number

It is very important that all students notify the attendance office immediately of any change of address or telephone number at (480) 224-2803.

Cheating / Plagiarism

Copying the work of another person and submitting it as your own, obtaining unauthorized or undocumented material from the Internet or other sources, or securing teacher materials or work in a dishonest or unauthorized way are all considered cheating. Allowing another student to copy your work is considered cheating.

First Offense: A zero on the assignment, a referral to the administration, possible ISS/OCS

Second Offense: The student may be dropped from the class with an "F".

Closed Campus

Students: Students are to remain on campus from the time of arrival in the morning until after their last class of the day. If a student is off-campus without permission, this is an off-campus violation and may result in a suspension.

Non-students: For reasons of security, only those officially enrolled as students are permitted on campus during the school day. Parents and others wishing to conduct official business must report first to the administrative offices. All others may be deemed as trespassers and are subject to arrest (ARS Title 13).

Counseling Services

Students are urged to contact counselors. Interview appointments can be made at the counseling office before school, during lunch or after school. Counselors are available at all times to answer questions and to discuss problems.

Daily Announcements

Announcements are published on e-mail and posted on the web page. These are read each day over the P.A. system. All announcements must be turned in to the assistant principal's office or mailbox by 3:00 p.m. the day before that announcement is to be run.

Dances

Students may invite guests to designated school dances. Prior approval must be secured from school administration. Students in grades 9-12 from other schools may be invited as guests, but are subject to the same dance and school regulations as District high school students. Guests must be 20 years of age or under and must bring a current photo ID with birth date. Junior high students are not permitted at high school dances. Guest passes must be submitted and approved by activities office prior to attending the dance. NO APPROVALS ARE DONE AT THE DOOR.

Distribution of Materials

Information (announcements, pamphlets, newsletters, memos, etc.) will not be distributed to other students or staff on campus without prior authorization from administration.

Extra-Curricular Participation Policy

To be eligible on the day of the event, a student shall: be in attendance for two-thirds ($2/3^{\text{rd}}$) of the day of the scheduled event/activity, and shall have been in attendance for two thirds ($2/3^{\text{rd}}$) of the day on Friday for a scheduled Saturday events or activities. .

Fire Alarms / Evacuations

When the FIRE ALARM sounds, students should evacuate the building in an orderly, quiet manner and follow the instructions of those in charge. Students should not stand on paved areas where emergency vehicles may need to pass. Students reporting and/or creating false fire alarms will be subject to disciplinary action from administration.

Food, Gum, Drinks

No gum is permitted in the building. No food or drinks are permitted outside of the cafeteria area.

Hall Passes

Students are expected to remain in class during the entire instructional period. Leaving class should be an extremely rare occurrence. When a student receives permission from a teacher to leave the class, they must be sure to obtain a pass from the teacher and be prepared to show this pass whenever requested by anyone in authority. A student with no pass will be considered to be out of class without permission. This may result in a disciplinary action.

Hats

No hats of any kind shall be worn in the building except on special designated school spirit days. Hats are subject to confiscation if worn within the building.

Health Services

Please see the Health Services department on the district website www.mychandlerschools.org for specific information on Forms required from parents and doctors, Medication Administration policy, Health Protocols for student illness, Immunizations, Hearing and Vision Screening programs, and information on specific health conditions for school.

Homework / Make-up work Policy

Students are responsible for making arrangements with their teachers to complete make-up work for excused absences or suspensions. Make-up work must be completed with the same amount of time after returning as the class periods absent from class (for example, allow two class periods to complete make-up work for two class periods of absences). *Work cannot be made-up for credit on unexcused absences.*

Lost and Found

Any found item should be taken to the Bookstore. Students should check in the Bookstore if they have lost anything.

Lunch Hours

Students are not permitted to be in the various classroom wings during any of the lunch hours without a pass and are not allowed to enter the classroom wings until the bell has signaled the end of the lunch period.

National Honor Society Membership

Sophomores, Juniors and Seniors with a 3.8 cumulative GPA are eligible for membership in the National Honor Society (NHS) as Sophomores, Juniors and Seniors. To be a member in good standing, all eligible students must maintain a 3.8 GPA, attend required number of NHS yearly meetings, perform 20 hours of community service and uphold standards in character and leadership during the school year.

Returned Check Policy - CUSD

Checks are gladly accepted by CUSD. For any checks returned as unpaid to CUSD, the check writer's account may be electronically debited without further notice for the amount of the check, plus a \$25 returned check fee, as allowed by state law. Questions or issues regarding returned checks may be directed to CCM Enterprises at 1-888-423-8974.

School Nurse and Illness

The high school Health Office is staffed by a Nurse for emergency care, health consultation, and as a resource for students and parents. Specific procedures and permission forms are required for the School Health Office to administer any prescription medications; be aware that written orders from the prescribing physician are required if students are to receive such medications during school hours. If students become ill and must go home, a student leave permit must be obtained from the school Health Office and presented to the school Attendance Office before leaving campus.

Sign Out Policy

Students are not permitted to leave school without permission. Perry High School is a closed campus.

We do not accept phone calls for early dismissal of a student. If a student needs to leave campus before dismissal time, they must bring in a hand written note indicating the time of dismissal from the parent/legal guardian or an email from the parent/guardian may be sent to the attendance office before school starts. Attendance will verify the note prior to the student being dismissed. The student must come to the attendance office before leaving campus to sign out. If checking out a student in person, the parent/legal guardian must go to the attendance office and sign the student out of school. Parent/legal guardian must show picture ID in order to pick up a student. Emergency contacts are for medical emergencies only per nurses' approval. Anyone other than the parent/legal guardian picking up a student will need a hand written note from the parent/legal guardian in order to check the student out of school. We will verify the hand written note before dismissing student.

Student Parking

The Parking fee is \$40.00 per semester or \$80.00 per year. \$5.00 will be charged for the replacement of a lost permit. The school's *Parking Policy (Parking Rules), Application, Registration, and Payment* can be obtained on the Perry High School website. Students may not give or sell their parking permit to another student. For parking questions, please contact Mrs. Burks at 480-224-2823.

Dear CUSD Families,

As part of our efforts to maintain a safe, secure online experience for students, Chandler Unified School District uses a technology tool known as Lightspeed Alert in grades K-12. This scanning program reviews students' cloud storage files (Google Drive, OneDrive, etc.) and web searches made using their CUSD account and/or device for inappropriate images and /or content identified by keywords. Alert will flag content referencing intentions of violence, drug and alcohol use, sex, self-harm, hate speech, pornography, etc. It will also analyze images to block pornography and obscene visuals from reaching students.

Alert representatives review students' cloud storage files throughout the day and night and send alerts to administrators at the school and the district office. School administrators will contact parents/guardians when an alert is received. If a parent/guardian cannot be reached, administrators will contact local law enforcement to request a well-check on students of alerts regarding threats of self-harm.

All school rules apply to the content on a student's cloud storage drive and email inbox. Students are encouraged to practice responsible digital citizenship.

We look forward to continuing to collaborate with families to support and meet our students' needs and to protect them while in our care.

NOTICE OF NONDISCRIMINATION

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA) Notice for Directory Information

The *Family Educational Rights and Privacy Act* (FERPA), a Federal law, requires that Chandler Unified School District (CUSD), with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child's education records. However, CUSD may disclose appropriately designated "directory information" without written consent, unless you have advised the District to the contrary in accordance with District procedures. The primary purpose of directory information is to allow CUSD to include this type of information from your child's education records in certain school publications. Examples include:

- A playbill, showing your student's role in a drama production;
- The annual yearbook;
- Honor roll or other recognition lists;
- Graduation programs; and
- Sports activity sheets, such as for wrestling, showing weight and height of team members.

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent's prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, two federal laws require local educational agencies (LEAs) receiving assistance under the *Elementary and Secondary Education Act of 1965* (ESEA) to provide military recruiters, upon request, with three directory information categories – names, addresses and telephone listings – unless parents have advised the LEA that they do not want their student's information disclosed without their prior written consent

If you **do not want** CUSD to disclose information from your child's education records without your prior written consent, you must notify the District in writing within two weeks of the start of school, or within two weeks of initial enrollment, if not enrolled at the start of the school. CUSD has designed the following information as directory information.

Address	Parent/Guardian's Name
Dates of Attendance	Participation in Officially Recognized Activities and Sports
Date and Place of Birth	Photograph of Students
Degrees, Honors and Awards Received	SAIS Student ID Number
Electronic Mail Address	Telephone Listing
Grade Level	The Most Recent Educational Agency or Institution Attended
Major Field of Study	Weight/Height of Members of Athletic Teams

These laws are: Section 9528 of the ESEA (20 U.S.C. 7908), as amended by the Every Student Succeeds Act of 2015 (P.L. 114-95), the education bill, and 10 U.S.C. 503, as amended by section 544, the National Defense Authorization Act for Fiscal Year 2002 (P.L. 107-107), the legislation that provides funding for the Nation's armed forces.

Notification of Rights Under the Protection of Pupil Rights Amendment (PPRA)

PPRA affords parents certain rights regarding our conduct of surveys, collection and use of information for marketing purposes, and certain physical exams. These include the right to:

- Consent before students are required to submit to a survey that concerns one or more of the following protected areas (“protected information survey”) if the survey is funded in whole or in part by a program of the U.S. Department of Education (ED)–
 1. Political affiliations or beliefs of the student or student’s parent;
 2. Mental or psychological problems of the student or student’s family;
 3. Sex behavior or attitudes;
 4. Illegal, anti-social, self-incriminating, or demeaning behavior;
 5. Critical appraisals of others with whom respondents have close family relationships;
 6. Legally recognized privileged relationships, such as with lawyers, doctors, or ministers;
 7. Religious practices, affiliations, or beliefs of the student or parents; or
 8. Income, other than as required by law to determine program eligibility.
- Receive notice and an opportunity to opt a student out of –
 1. Any other protected information survey, regardless of funding;
 2. Any non-emergency, invasive physical exam or screening required as a condition of attendance, administered by the school or its agent, and not necessary to protect the immediate health and safety of a student, except for hearing, vision, or scoliosis screenings, or any physical exam or screening permitted or required under State law; and
 3. Activities involving collection, disclosure, or use of personal information obtained from students for marketing or to sell or otherwise distribute the information to others.
- Inspect, upon request and before administration or use –
 1. Protected information surveys of students;
 2. Instruments used to collect personal information from students for any of the above marketing, sales, or other distribution purposes; and
 3. Instructional material used as part of the educational curriculum.

These rights transfer from the parents to a student who is 18 years old or an emancipated minor under State law.

Chandler Unified School District (CUSD) has developed and adopted policies, in consultation with parents, regarding these rights, as well as arrangements to protect student privacy in the administration of protected information surveys and the collection, disclosure, or use of personal information for marketing, sales, or other distribution purposes. CUSD will directly notify parents of these policies at least annually at the start of each school year and after any substantive changes. CUSD will also directly notify, such as through U.S. Mail or email, parents of students who are scheduled to participate in the specific activities or surveys noted below and will provide an opportunity for the parent to opt his or her child out of participation of the specific activity or survey. CUSD will make this notification to parents at the beginning of the school year if the District has identified the specific or approximate dates of the activities or surveys at that time. For surveys and activities scheduled after the school year starts, parents will be provided reasonable notification of the planned activities and surveys listed below and be provided an opportunity to opt their child out of such activities and surveys. The ID must be accessible, legible, and in its original condition. Students who fail to comply will be subject to disciplinary action. A free student ID is available the first two weeks of school or within two weeks of enrollment. If the card is lost or stolen, there is a \$5.00 replacement cost. The ID card must be returned when withdrawing from school.

STUDENT ACTIVITY PASS

A student activity pass is available at the beginning of each school year. The cost varies by site, \$35.00 - \$50.00. This pass entitles students to free admission to all home athletic contests except A.I.A. tournaments. With the card, some social activities on campus will have reduced costs. The pass will double as a student I.D. for school activities. Replacement cost is \$5.00.

GUESTS FOR DANCES AND SCHOOL-SPONSORED ACTIVITIES

FINAL EXAMS

Students may not take semester final exams prior to the time they are scheduled. Students who are absent during semester final exams will receive a Zero (0%) for the final exam. In order for the grade to be changed, students must take the final within the first two weeks of the next semester as arranged through administration.

Technology Resources (Movies/Videos/Electronic Materials) IJND-R

Movies, videos and electronic materials with ratings other than for general audiences of all ages are not to be shown in classrooms or at any District facility (this includes buses and motels where students are present) except when:

CUM LAUDE RECOGNITION

All CUSD high schools use the Cum Laude recognition program. This recognition program is used to acknowledge the most academic successful students at graduation, which allows for more of our outstanding seniors to be recognized than the valedictorian/salutatorian concept allows. The grade point average after the 7th semester is used to determine the category. The categories for distinction under the Cum Laude recognition program are as follows:

- Cum Laude - meaning "with praise". To qualify a student must achieve a 3.75 - 4.24 GPA.
- Magna Cum Laude - meaning "with great praise". To qualify a student must achieve a 4.25 - 4.49 GPA
- Summa Cum Laude - meaning "with the highest praise". To qualify a student must achieve a 4.5 - 5.0 GPA

AIA ELIGIBILITY – Policy JJIB

To participate in extracurricular activities that involve interscholastic competitions or A.I.A. approved adjudication, students must pass all the classes on their schedules. Grades are reported every 4-1/2 weeks either through progress reports or report cards. If a student receives a failing grade, he or she will be declared ineligible on the day following issuance of report cards or progress reports. If a student is ineligible, the student must attend study hall every school day within one week, usually five (Monday through Friday). The student must pass the class(es) on the Friday of the week study hall is served. The student will gain eligibility on the following Monday only.

INELIGIBILITY/REMEDATION

Students have the opportunity to remediate the deficiency resulting in ineligibility for all grades except cumulative final semester grades. An administrator will assign the student who has failed at the 4 ½

or 9 week periods to tutorial study hall and monitor the student attendance and grades. If after one week of full attendance at study hall, the student's grades improve to the point of eligibility, eligibility will continue from that point on until the next progress report or report card.

A student whose final grade for a course at the end of either the fall or spring semester is an "F" will be assigned by an administrator to tutorial study hall. The student's attendance and grades will be monitored. If after one week of full attendance at study hall, the student's grades improve to the point of eligibility, eligibility will continue from that point on until the next progress report or report card.

Note: Students may practice with their team or group while ineligible. ***Students may not travel with the team, dress out or compete*** while ineligible.

Special Provisions

Special education students will have their GPAs figured at face value. If the principal feels it necessary, a special staffing may be convened to consider eligibility. Final eligibility decisions rest with the principal.

Any student whose behavior presents a problem or jeopardizes school discipline will be restricted from participation in extracurricular activities until such time that his or her behavior warrants reinstatement.

RANDOM STUDENT DRUG TESTING – Policy JJIE

All students in ninth through twelfth grade who participate in Arizona Interscholastic Association (AIA-Eligible) sports and/or extracurricular activities will be a part of the Random Drug-Testing Pool. The student will stay in the drug testing pool for the entire athletic season.

There are no academic consequences for a positive drug test, however, a positive drug test will result in increasing loss of eligibility for AIA-Eligible sports or activities. These consequences are cumulative for the entire time a student participates in AIA-Eligible sports and/or activities, which could be four years.

FERPA RIGHTS

The Family Educational Rights and Privacy Act (FERPA) is a complex Federal law that protects the privacy interests of parents and students with regard to educational records. Generally, FERPA gives parents the right to inspect and review their children's education records, request amendment of the records, and have some control over the disclosure of information from the records. When a student turns 18 or enters college, FERPA classifies him or her as an "eligible student" and transfers the rights under the Act from the parent to the student. FERPA requires school districts to notify parents and eligible students annually of their rights under the Act. When you turn 18 years of age, you have the right to your FERPA records.

ADA/TITLE IX

The District does not have TDD's in use through out the District. Please feel free to use the TTY relay or video relay services. School office staff can be assisted to help family and community with TTY relay or video relay services with help from the CUSD Hearing Impairment department. CHANDLER UNIFIED SCHOOL DISTRICT GUIDELINES FOR MEDICATION

No expired medication will be accepted. You may ask the pharmacist to label two containers: one for school and one for home. Medications will not be sent home with students daily.

Medications will NOT be crushed without a licensed health care provider order. Parent/guardian is required to provide student specific pill crusher. If a medication needs to be cut in half, it will be done by the parent/guardian NOT the health assistant or nurse.

Any medications that the District/school nurse feels are unsafe will not be given until medical provider clarification is obtained. School nurses must follow all State Scope of Practice regulations.

Students will NOT be allowed to carry or administer their own medication except with special written permission from the parent/guardian, licensed healthcare provider, building administrator/principal, and school/District nurse. This includes prescriptions, over the counter medications and natural/ herbal supplements. **No controlled substances will be allowed for self-carry for the safety of all students.**

The parent/guardian is responsible to pick up the child's medication at the end of the school year. Any medication left over will be discarded on the last day of class. **No Exceptions.**

Medications will not be given at school that mask COVID-19 like symptoms. (i.e. headache).

Prescription Medication:

Medication prescribed by out-of-state healthcare providers can be administered for up to 60 days. After 60 days, the prescription must be replaced by a provider licensed in the State of Arizona. No Prescriptions from outside of the United States will be accepted.
- Medications prescribed to be taken one (1) two (2) and three (3) times a day are not routinely given at school. Exceptions may be made if the nurse discusses the need with the healthcare provider and they find this is necessary.

accordance to package directions. Dosage must be weight and age appropriate per label (i.e. children specific formula).

- If medication is to be administered for three (3) consecutive days, a healthcare provider order must be submitted to the school health office for continuing administration of the medication beyond the three (3) days to ensure that use of this medication is not masking symptoms of a serious condition in the student.
- In order to minimize the possibility of a drug overdose, non-prescribed medications will not be dispensed during the first and last hours of the school day.
- A new Consent for Medication Administration form is required for each school year.
- The health office does have a supply of Acetaminophen (Tylenol) in pill form that we can give to your student if they will benefit from it and help keep them in school. For us to administer, the parent/guardian must give permission during the online registration process each school year. The frequent use of Acetaminophen (Tylenol) has been shown to cause liver problems in both children and adults therefore; we will use Acetaminophen (Tylenol) at our discretion. If we find we are administering Acetaminophen (Tylenol) on a recurrent basis, you may be contacted to provide a note from your doctor along with a supply of the medication for the health office.

Natural/Herbal Preparations and Dietary Supplements:

Supplements are not regulated by the FDA. Under the Dietary Supplement Health and Education Act (DSHEA), the FDA treats supplements like food. Supplements can include minerals, vitamins or other natural biological substances and they are available in a variety of shapes and sizes, including concentrates, extracts, capsules, tablets, liquids and powders. Because these are not regulated by the FDA we have guidelines in place to ensure the safety of all students.

- A new Consent for Medication Administration form is required for each school year.

Arizona State Statutes (ARS §15-507 states that a person who knowingly abuses a teacher or other school employee on school grounds or while the teacher or employee is engaged in the performance of his duties is guilty of a class 3 misdemeanor.

ALTERNATIVE SCHOOL ASSIGNMENT

Under Arizona law (A.R.S. 15-841 E and F) a school district may reassign a student to an alternative education program if the student refuses to comply with school rules, refuses to pursue the required course of study, or refuses to submit to the authority of teachers, administrators or the Governing Board. A student can also be reassigned if he/she threatens an educational institution as defined in A.R.S. 13-2911.

MANDATORY REPORTING OF CRIMINAL ACTIVITY TO LAW ENFORCEMENT

Arizona State Statutes (ARS § 13-3620) require schools and school employees to report criminal activity to local law enforcement. Schools are also required to report incidences of child abuse, neglect, and crimes against children to local law enforcement and department of child safety services.

Recent changes in the law require schools to report threats, or rumors of threats, made against schools, students and school personnel. Schools must also report all incidents of non-accidental injuries that might occur during altercations at school.

According to ARS § 15-341 staff members are to report any suspected crimes against persons or property and any incidents that could potentially threaten the safety and security of pupils, teachers, or administrators to local law enforcement.

BODY WORN CAMERAS (BWC's)

Increasingly, law enforcement agencies are utilizing BWC's in their law enforcement practices, including those agencies that collaborate with the District. We have requested and been provided with information concerning how these devices may be used. While each agency has adopted its own policy for the use of BWC's, we wanted to provide you with the following information below.

Generally, BWC's will only be turned on when there is a "law enforcement action" taking place or when deemed appropriate by the officer. BWC's are typically NOT utilized in the following circumstances:

- Traditionally private settings (bathrooms, locker rooms, during medical exams, etc.) absent a compelling reason to do so.
- When the victim of a sexual assault requests that a recording not be made.
- During casual interactions with individuals (i.e. when there is no law enforcement action), e.g., greeting and talking to students, when teaching law related classes, and when simply being a crime deterrent presence.
- When making a recording would be impossible, impractical, or unsafe.

All law enforcement agencies must comply with A.R.S. § 1-602(9), which requires, in pertinent part, written parent consent prior to making a video or voice recording, unless the video or voice recording is made by law enforcement officers during or as part of a law enforcement investigation, during or as part of an interview in a criminal or child safety services investigation or to be used solely for any of the following:

- Safety demonstrations, including the maintenance of order and discipline in the common areas of a school or on pupil transportation vehicles;
- A purpose related to a legitimate academic or extracurricular activity;
- A purpose related to regular classroom instruction;
- Security or surveillance of buildings or grounds; or
- A photo identification card.

CHANDLER UNIFIED SCHOOL DISTRICT STUDENT CONDUCT POLICY JIC

Arizona state law makes the school responsible for the conduct and well being of students from the time they leave home in the morning until they reach home in the evening.

The teacher is required by law to maintain a suitable environment for learning, and administrators have the responsibility for maintaining and facilitating the educational program. The administration is authorized to suspend students for cause.

Students shall not engage in improper behavior, including but not limited to the following:

- Any conduct intended to obstruct, disrupt, or interfere with teaching, research, service, administrative or disciplinary functions, or any activity sponsored or approved by the Board.
- Threatening an educational institution by interference with or disruption of the school per A.R.S. 13-2911 and 15-841.
- Physical abuse of or threat of harm to any person on District owned or controlled property or at District sponsored or supervised functions.
- Damage or threat of damage to property of the District, regardless of the location, or to property of a member of the community or a visitor to the school, when such property is located on District controlled premises.

- Unlawful use, possession, distribution, or sale of tobacco, alcohol, or drugs or other illegal contraband on District property or at school-sponsored functions.

- Failure to comply with the lawful directions of District officials or any other law enforcement officers acting in performance of their duties, and failure to identify themselves to such officials or officers when lawfully requested to do so.
- Alleged conduct off campus or during nonschool hours in which the student's continued attendance would negatively affect the school environment.
- Knowing violation of District rules and regulations. Proof that an alleged violator has a reasonable opportunity to become aware of such rules and regulations shall be sufficient proof that the violation was done knowingly.
- Any conduct constituting a breach of any federal, state, or city law or duly adopted policy of the Board.
- Carrying or possessing a weapon on school grounds.

In addition to the general rules set forth above, students shall be expected to obey all policies and regulations focusing on student conduct adopted by the Board. Students shall not engage in any activities prohibited herein, nor shall they refuse to obey any order given by a member of the faculty or staff who is attempting to maintain public order.

Any student who violates these policies and regulations may be subject to discipline up to expulsion, in addition to other civil and criminal prosecution. These punishments may be in addition to any customary discipline that the District presently dispenses. Such students may be removed from their respective attendance boundary schools and placed in alternative educational programs.

Local law enforcement shall be notified by the Superintendent regarding any suspected crime against a person or property that is a serious offense, involves a deadly weapon or dangerous instrument or that could pose a threat of death or serious injury to employees, students or others on school property. The authority of the Superintendent to establish regulations covering students may be delegated to principals for their individual schools. (Policy JIC - Student Conduct)

STUDENTS ARE SUBJECT TO DISCIPLINE IF INFRACTIONS OCCUR:

1. At any high school activity/athletic event (home or away, day or night)
2. To and from school or school activities, including bus stops
3. In classrooms
4. On campus
5. On any District property

Hazing = There shall be no hazing, solicitation to engage in hazing, or aiding and abetting another who is engaged in hazing, of any person enrolled, accepted for or promoted to enrollment, or intending to enroll or be promoted to District schools within twelve calendar months. For purposes of this policy a person, as specified above, shall be considered a “student” until graduation, transfer, promotion or withdrawal from the District school. “Hazing” means any intentional, knowing, or reckless act committed by a student, whether individually or in concert with other persons, against another student and which both of the following apply:

“Organization” means an athletic team, association, order, society, corps, cooperative, club, or similar group that is affiliated with an educational institution and whose membership consists primarily of students enrolled at that educational institution. In accord with statute, violations of this policy do not include either of the following:

- Customary athletic events, contests or competitions that are sponsored by an educational institution.
- Any activity or conduct that furthers the goals of a legitimate educational curriculum, a legitimate extracurricular program, or a legitimate military training program.

Professional staff members must report the incident to the school administrator or next higher administrative supervisor, in writing, with such details as may have been provided. A failure by a staff member to timely inform the school administrator or next higher administrative supervisor of a hazing allegation or their observation of an incident of hazing may subject the staff member to disciplinary action in accord with District policies. The staff member shall preserve the confidentiality of those involved, disclosing the incident only to the appropriate school administrator or next higher administrative supervisor or as otherwise required by law. If evidence suggests that conduct complained of under this policy also constitutes a crime, the supervisor shall stop the investigation and

promptly report to the appropriate law enforcement agency. If evidence suggests the conduct complained of under this policy constitutes child abuse, the incident should be reported according to the Administrative Regulation JLF. The requirement to report abuse applies to situations in which a child is the alleged abuser, as well as to situations in which an adult is the alleged abuser. Any instance of reported or observed hazing which includes possible child abuse or violations of statutes known to the staff member shall be treated in accord with statutory requirements and be reported to a law enforcement agency.

To assure that students and staff are aware of its content and intent, a notice of this policy and procedure shall be posted conspicuously in each school building and shall be made a part of the rights and responsibilities section of the student handbook. Forms for submitting complaints are to be available to students and staff in the school offices.

Disposition of all reports/complaints shall be reported to the Superintendent. The Superintendent will determine if the policies of the District have been appropriately implemented and will make such reports and/or referrals to the Board as may be necessary.

All violations of this policy shall be treated in accord with the appropriate procedures and penalties provided for in District policies related to the conduct and discipline of students, staff, and others. This information can be referenced in Governing Board Policy JICFA and JICFA-EA.

CSTAG -Behavioral Threat Assessment Training

Safety is a top priority at the Chandler Unified School District (CUSD). CUSD recognizes the importance of a consistent process to use when addressing concerns about a student's well-being. Therefore, CUSD has adopted the evidence-based threat assessment model known as the Comprehensive School Threat Assessment Guidelines (CSTAG). All CUSD schools have a trained threat assessment team to evaluate the risk of violence and provide a multidisciplinary perspective. Every instance of threatening behavior will be treated seriously and examined thoroughly under CUSD's process to ensure a safe learning environment.

TITLE IX SEXUAL HARASSMENT Board Policy ACAA SUMMARY

Title IX of the Federal Education Amendments Act protects people from discrimination based on sex in education programs or activities that receive Federal financial assistance. The District does not discriminate on the basis of sex and is required by Title IX not to discriminate in such a manner. The District adheres to all conditions established by Title IX by recognizing the right of every student who attends school in the District and every employee who works in the District to do so without the fear of sexual harassment.

The District accepts and shall employ the definition of sexual harassment as established by the Title IX regulations. Sexual harassment means conduct on the basis of sex that satisfies one or more of the following:

- A. An employee of the District conditioning the provision of an aid, benefit, or service of the District on an individual's participation in unwelcome sexual conduct;
- B. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the District's education program or activity; or
- C. "Sexual assault" as defined in 20 U.S.C. 1092(f)(6)(A)(v), "dating violence" as defined in 34 U.S.C. 12291(a)(10), "domestic violence" as defined in 34 U.S.C. 12291(a)(8), or "stalking" as defined in 34 U.S.C. 12291(a)(30).

The District also accepts and shall employ the definition of a complainant as an individual who is alleged to be the victim of conduct that could constitute sexual harassment, and a respondent as an individual who has been reported to be the perpetrator of conduct that could constitute sexual harassment.

The District shall designate and authorize an employee as the "Title IX Coordinator" to comply with its responsibilities pertaining to sexual harassment under Title IX. Inquiries about the application of Title IX may be referred to the District's Title IX Coordinator.

Any person may report sex discrimination, including sexual harassment, regardless of whether the person reporting is the person alleged to be the victim of the reported conduct or not. A report may be made in person, by mail, by telephone, or by electronic mail, using the contact information listed for the Title IX Coordinator, or by any other means that results in the Title IX Coordinator receiving the person's verbal or written report. Such a report may be made at any time (including during non-business hours) by using the telephone number or electronic mail address, or by mail to the office address, listed for the Title IX Coordinator. The District shall notify students, parents or legal guardians of students, employees, applicants for employment, and all unions or professional organizations holding collective bargaining or professional agreements with the District, of the name or title, office address, electronic mail address, and telephone number of the Title IX Coordinator.

The District will respond promptly when any school employee has notice of sexual harassment. Upon receipt of notice of sexual harassment, the Title IX Coordinator shall notify the complainant, including the parent/guardian of a minor complainant, of the District's grievance procedures and grievance process, including how to report or file a complaint of sex discrimination, how to report or file a formal complaint of sexual harassment, and how the District shall respond. The District is committed to investigating each formal complaint submitted and to taking appropriate action on all confirmed violations of policy. The District shall follow grievance procedures that provide for the prompt and equitable resolution of formal complaints from students and employees alleging sexual harassment.

The District shall, to the extent reasonably feasible, keep confidential the identity of any individual who has made a report or filed a formal complaint of sexual harassment, any complainant, any individual who has been reported to be the perpetrator of sex discrimination, any respondent, and any witness, except as is necessary to carry out the grievance process and as may otherwise be permitted by law.

Title IX sexual harassment complaints may include violations covered by Arizona's mandatory reporting statute, A.R.S. §13-3620. Any abuses classified by statute as "reportable offenses" must be reported as such to the authorities because not reporting a reportable offense is classified as a Class 6 Felony.

Retaliation Prohibited

Neither the District nor any person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by Title IX, or because the individual has in good faith made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing. Intimidation, threats, coercion, or discrimination, including charges against an individual for violations that do not involve sex discrimination or sexual harassment, but arise out of the same facts or circumstances as a report or complaint of sex discrimination or a report or formal complaint of sexual harassment, for the purpose of interfering with any right or privilege secured by Title IX, constitutes retaliation.

STUDENT INTERROGATIONS, SEARCHES AND ARRESTS

BOARD POLICY JIH AND JIH-R SUMMARY

INTERVIEWS:

School officials may question students without limitation with regards to all relevant matters. The parent will be contacted if a student interviewed is then subject to discipline for a serious offense. A student may decline at any time to be interviewed by the School Resource Officer (SRO) or another peace officer.

CHILD ABUSE CASES – Policy JLF:

If a department of child safety (DCS) worker or peace officer enters the campus requesting to interview a student attending the school, the school administrator shall be notified. Access to interview shall be granted when the child to be interviewed is the subject of or is the sibling of or is living with the child who is the subject of an abuse or abandonment investigation. The personnel of the District shall cooperate with the investigating department of child safety services worker or peace officer. If a student is taken into temporary custody in accordance with A.R.S. 8-821, the department of child safety services worker or peace officer may be reminded to notify the student's parent of the custody, pursuant to A.R.S. 8-823. The department of child safety services worker or peace officer shall be requested to establish proper identification and complete and sign a "Form for Signature of Interviewing Officer." Six (6) hours following the relinquishment of custody by the school, school personnel may respond to inquiries about the temporary custody of the child and may, if considered necessary, call the parent.

CASES WHERE SCHOOL SAFETY IS NOT AN ISSUE:

If a peace officer enters the campus requesting to interview a student attending the school on an issue other than upon request of the school or for abuse or abandonment, the school administrator shall be notified. If the officer directs that parents are not to be contacted because the interview is related to criminal activity of the parent(s)/guardian, the school official shall comply with the request. Unless these circumstances exist the parent will be contacted and will be asked if they wish the student to be interviewed. If the parent consents the parent will be requested to be present or to authorize the interview in their absence within the school day of the request. Where an attempt was made and the parent(s) could not be reached or did not consent within the school day of the request, the peace officer will then be requested to contact the parent(s) and make arrangements to question the student at another time and place.

CASES WHERE STUDENT SAFETY IS AN ISSUE:

When a peace officer is present on the campus to interview students at the request of school authorities due to concerns for the safety of the students in the school population, parent contact shall only be made if a student is taken into custody or following the determination that the student may be subject to discipline for a serious offense. The SRO, present at the request of the school for the continued maintenance of safety and order, may interview students as necessary regarding school related issues as determined by school officials and parents will be contacted if the student is to be taken into custody or if the student is subject to discipline for a serious offense.

SEARCHES – Policy JIH

School officials have the right to search and seize property, including school property assigned to students, when health, safety, and/or welfare of the student(s) is in jeopardy, or when there is reason to believe that a search will turn up evidence that the student has violated school rules or the law. Searches may also include a student's personal property such as backpacks, pockets, and other personal effects. Disrobing of a student is overly intrusive for purposes of most student searches and is improper without express concurrence from School District counsel.

Items provided by the District for storage (e.g., lockers, desks) by students are school property and are subject to its control and supervision. Students have no reasonable expectancy of privacy in school-provided lockers, desks or other storage areas, and may be inspected at any time with or without reason, or with or without notice, by school personnel. The District reserves the right to monitor and inspect the student use of the District's technology, internet and network systems, with or without reason, or with or without notice, by school personnel.

ARRESTS

When a peace officer enters a campus providing a warrant or subpoena, or comes with the intent of taking a student into custody, the peace officer will provide proper identification, and complete and sign a form required of an arresting and/or interviewing officer for the school. The school staff shall cooperate with the officer, and may respond to parental inquiries about the arrest. The school may explain the relinquishment of custody by the school and the location of the student, if known, upon contact by the parent.

DISCIPLINARY ACTION

Students who violate behavior rules and expectations will be subject to disciplinary actions. Depending upon the behavior problem of the student, and prior discipline history, one or more of the following actions will be taken by the school officials.

Conference

A formal conference is held between the student and one or more school officials. During this conference, the student must agree to correct the inappropriate behavior.

Parent Conference

Parents are notified of this conference by telephone, personal contact, letter or certified letter. A conference is held with the student, the parents, appropriate school personnel and/or any other individuals concerned.

Behavioral Contract

Following the parent conference, a behavioral contract is established which needs to be signed by both the parent and the student.

Other Disciplinary Actions

Community Service
Evening School
Lunch Detention
Saturday School

Removal From Classes

The student is removed from one or more classes, but remains at school in an assigned study hall during these class periods. The student is expected to complete class assignments while in the study hall.

After-School Detention

Teachers may assign after-school detention and are responsible for monitoring students in the after-school detention. Teachers will follow the procedures listed below before referring a student for not attending after-school school detention:

1. Parent contact.
2. Teacher conference with student.
3. Other appropriate follow-up actions.

The administration may assign after-school detention to study hall or the in-school detention/suspension room.

Suspensions – Policy JKD

In-School Suspension

This is the temporary removal of students from all regular classes for violation of school rules. Students are then assigned to the in-school suspension program for the entire day or any part thereof where they will spend their time studying, doing homework or class work. Failure to report as assigned will be considered insubordination and will result in further disciplinary action. While serving an in-school suspension, the student will not participate in any school day activities. Students may participate in extra-curricular activities if the infraction does not violate team/program policies. The student will receive credit for class work completed and submitted that day

Short-term Suspension (10 days or less)

Students who violate school rules may receive off-campus suspension from administration for their rule violation. Students are removed from classes and assigned to a parent/guardian for the period of time specified by school administration. While serving an off-campus suspension, the student will not participate in any school activities, including athletic competition and practice, will not be permitted on campus, and must have a meeting with a site administrator prior to returning to campus. Student will receive credit for class work completed and submitted by the due date as determined by an administrator. Short-term suspensions cannot be appealed. (Policy JKD)

Long-term Suspension (Over ten days)

As directed by Governing Board policy, school administrators may recommend long-term suspension for serious discipline issues. This recommendation is forwarded to the appropriate District Director. Students who receive a long-term suspension will not be permitted to make up class work while on suspension.

Expulsion – Policy JKE

The student is informed immediately that he/she is subject to expulsion. Due process procedure is explained. The student's parent/legal guardian is notified by telephone and certified letter that the student is subject to expulsion. Notification includes clear instructions regarding due process procedures. The expulsion does not become effective until the due process procedure has been completed.

BYOT Responsible Use Agreement (Signature required)

We are pleased to be able to offer “Bring Your Own Technology” as an option to expand student and staff access to online and other educational electronic resources. The purpose of this agreement is to outline the expectations for use of personal electronic devices on our campuses.

Chandler Unified School District BYOT Philosophy

Our philosophy is to assist all members of the Chandler Unified School District community to be **good digital citizens** – students and staff who use technology to support learning in a meaningful, safe and responsible way, in accordance with all applicable state and federal laws. (NOTE: Regulations, consequences, and possible disciplinary action for inappropriate use of the network and electronic devices are already covered by the CUSD Acceptable Use Policy, a separate document available at: <http://cusd80.com/AUP>.)

Purpose of and Permissions to Use Personal Electronic Devices at School

Like other personal items that may be brought from home to school, there are times and places where the use of personal electronic devices is beneficial to instruction, and other times when it is not. The expectation is that personal electronic devices are to be used only for instructional purposes, in appropriate times and places as determined by each school's principal. Teachers who permit the use of personal electronic devices in class are expected to model and teach responsible use of the Internet, to monitor students' use of the devices, and to set up any applicable classroom procedures and rules pertaining to this use. Teachers or other staff may be able to assist, but can not be expected to troubleshoot problems with the students' technology.

Internet and Network Access

We maintain a filter that blocks harmful content on the Internet from students. When you sign this agreement and bring in your own device, you will be allowed to use the District-supplied, filtered network for Internet access at your school, if available. **The District reserves the right to monitor use of the District's systems for improper use without advance notice or consent.** Your signature indicates your understanding that any activity that occurs with the use of the District's internet and network systems are not private and may be accessed by the District for the purpose of ensuring proper use. Your signature also indicates your understanding that we cannot filter any non-district network connections (such as 3G or 4G) that may be already present on your device, and that you agree to follow the Acceptable Use Policy and all other related CUSD policies related to Internet use, regardless of the network you use. Use of electronic devices outside of these conditions is not allowed, can be considered a distraction to instruction, and will be handled as already described in the Student Handbook. (Please see the Student Handbook for more information about current policies related to technology use at school.)

Examples of What You MAY Do With Your Device at School:

Using the device at times and in places when the teacher has given permission for you to use them, such as:

- Conducting research on the web for a school project –citing resources, following copyright law, respecting the intellectual property of others
- Creating documents in collaboration with other students when working in groups

- Participating in class discussion threads, using respectful language to others
- Engaging in class activities using your device as a responder
- Taking a photo or video of a project to put into a class presentation

Examples of What You MAY NOT Do With Your Device at School:

- Bullying or threatening others
- Playing non-educational games
- Attempting to bypass network security or engaging in hacking
- Taking a photo or video of another person and posting it to the Internet
- Sharing personal information with others
- Engaging in plagiarism or copyright infringement

Please note that use of personal electronic devices is left to the discretion of the classroom teacher. The teacher will make the final determination of when use of personal electronic devices is appropriate. Please reference the Electronic Information Services (EIS) user agreement in the handbook for additional guidance.

You are encouraged to:

- Personalize your device with a case, school-appropriate skins, decals, wallpaper, etc. that will make it easier to distinguish your device from other students' similar devices.
- Charge your device before bringing it to school. (It will not be possible to charge student devices at school.)
- Keep track of your personal electronic device. The school and District is not liable for your losses due to theft, damage, or other financial harm.
- Follow the Acceptable Use Policy and school and class rules. Remember that BYOT is a privilege, not a right. This privilege can be taken away if abused.
- Install, update, and use virus protection on your device. If your device is determined to be the source of virus infections or security problems, access may be discontinued.

As new technology becomes available, we expect that it will be necessary to update this document and to make clarifications. If you have questions about which devices and specific uses are permitted, please refer these questions to your teacher and/or school principal.

STUDENT CONFINEMENT: PARENTAL NOTIFICATION AND CONSENT – Policy JLDB

Arizona law (A.R.S. § 15-843) requires school District discipline policies to address the confinement of students left alone in an enclosed space. Governing Board Policy JK, “Student Discipline” and related Regulation JK-R address this topic.

The District does not engage in the use of confinement for disciplinary purposes. However, pursuant to A.R.S. § 15-843, the District is required to notify parents/guardians that confinement may be used for disciplinary purposes and provide a process to obtain prior written parental consent.

Although the District does not anticipate the use of confinement for disciplinary purposes, it has adopted the following process to notify parents/guardians of the possible use of confinement for disciplinary purposes, as well as to obtain their prior written consent:

- The notification will be included in the student/parent handbook disseminated at the beginning of every school year.
- Parent consent will be obtained by having the parent indicate their agreement or disagreement for the use of confinement for disciplinary purposes on the Acknowledgement of Handbook Receipt form, completed yearly upon receipt of the handbook.
