DATE: March 1, 2018

Below is important information regarding the AzMerit and AIMS science testing schedule. AzMERIT testing will take place through your child's 3rd hour homeroom class on April 9th, 10th and 11th (see schedule below). Any student currently enrolled in Algebra I and Geometry will be taking the AzMERIT End-of Course math test on Thursday, April 10th. These students will be testing from 9:06-11:31. AIMS science testing, for 8th grade students only, will be on Friday, April 13th. These students will be testing from 9:06-11:31 on this day.

Please try to avoid scheduling appointments on the date/time your child is testing as testing must be completed in 1 session. If you have to pull your child out after they have begun the test, they will not be able to finish it at a later time. If your child arrives late to a testing session they may have to be pulled on another day to complete their test.

This year, all AzMerit testing for English and Math as well as AIMS Science will be computer based and administered online.

AzMERIT testing will be during the dates and times listed below. Please note that we will only have two lunch periods during these testing days, extending students' lunch time to 60 min. **We thank you in advance for having your child present on testing days!**

Monday, April 9th (Day 2) – WRITING

Tuesday, April 10th (Day 1) – MATH PART 1 & READING PART 1

Wednesday, April 11th (Day 2) – MATH PART 2 & READING PART 2

7th AzMERIT Testing Schedule
