

**Tarwater Elementary School
Giving Tree Project**

Dear Parents,

This year, for the holiday "giving" season, the Tarwater Family would like to invite you to join us in helping other families. We are sponsoring a Giving Tree Project whereby children in need, through our own CARE Center in Chandler School District, will receive their "holiday wish." We hope to provide gifts for distribution to approximately 700 children.

The project will work as follows:

1. Snowflakes will be selected by students from the "Giving Tree" which will be located in the MPR.
2. The student may choose one or more snowflakes (please decide ahead of time). There will be pink snowflakes for girl toys and blue snowflakes for boy gifts. One snowflake is to be taken home and the other snowflake is given to the teacher.
3. Each snowflake will be labeled boy or girl and the age of the child. The gifts can be generic, i.e., doll, truck, car, ball, etc., and within a reasonable price range.

By signing and returning the permission slip below, you are agreeing to purchase a gift for each snowflake your child has picked. Please return the unwrapped gift, by Thursday, December 13th. We will have our Giving Tree assembly on Friday, December 14th. **Please attach the snowflake to the gift, as we need to sort them for distribution the very next day!**

Thank you for your generosity of giving during this special time of year.
