### **AIA ELIGIBILITY**

To participate in extracurricular activities that involve interscholastic competitions or A.I.A. approved adjudication, students must pass all the classes on their schedules. Grades are reported every 4-1/2 weeks either through progress reports or report cards. If a student receives a failing grade, he or she will be declared ineligible on the day following issuance of report cards or progress reports. If a student is ineligible, the student must attend study hall every school day within one week, usually five (Monday through Friday). The student must pass the class(es) on the Friday of the week study hall is served. The student will gain eligibility on the following Monday only.

### **INELIGIBILITY/REMEDATION**

Students have the opportunity to remediate the deficiency resulting in ineligibility for all grades except cumulative final semester grades. An administrator will assign the student who has failed at the 4 ½ or 9 week periods to tutorial study hall and monitor the student attendance and grades. If after one week of full attendance at study hall, the student's grades improve to the point of eligibility, eligibility will continue from that point on until the next progress report or report card.

A student whose final grade for a course at the end of either the fall or spring semester is an "F" will be assigned by an administrator to tutorial study hall. The student's attendance and grades will be monitored. If after one week of full attendance at study hall, the student's grades improve to the point of eligibility, eligibility will continue from that point on until the next progress report or report card.

#### **Note:**

Students may practice with their team or group while ineligible.

Students may not travel with the team, dress out or compete while ineligible.

On State testing dates, study hall for ineligible student athletes will be adjusted that week. See "Testing Dates" document for specific days.
