Athletic Eligibility Chart for 2025-26

2025-26 CUSD

Students receiving an “F” in any class on a Progress Report, or a Semester Grade, will not be eligible to participate in AIA sanctioned events until they have improved their failing grade(s) to a “D” or better and have attended the required amount of consecutive study halls. After each official grading period, weekly grade checks must be completed on each subsequent Friday (or date listed below) by the respective student. Ineligible students who have earned a passing grade in their failed class(es) will be eligible on the following Monday. Once a student regains eligibility, the student will remain eligible until the following progress report, or semester grade. Please contact the high school athletic office for further clarification.
