

Meet Mrs. Murphy

Welcome to Kindergarten! My name is Jessica Murphy and I am excited to work with your family.

This is my 21st year of teaching and my 17th year in the Chandler district. I absolutely love our school community! I have been so fortunate to work with such amazing families and I'm blessed to have many siblings in my class again this year.

Besides teaching, I love entertaining and traveling with family and friends. I have two fur babies, Jack and Sawyer, who love to "help" with school work.

I also started Astute Hoot: Tools for the Wise Teacher (www.astutehoot.com). Astute Hoot develops research-based, supplemental learning tools and games to promote academic achievement and student engagement. Our products are currently used in classrooms all over the world, including all of our Kinder classrooms.

Your child's academic achievement, safety, and well-being are my first priority. Please feel free to contact me with any questions or concerns. Happy New Year!
