Dear Willis Parents and Community Members,

I am writing to respectfully request that you consider supporting Willis Junior High School through the Arizona Public School Tax Credit program. The donations we receive through tax credit help us provide a wide variety of educational experiences and supplemental activities to our Willis students. Among other things, these funds are used to support club sponsorships, music and the arts, character education programs, field trips, athletics, and other extra-curricular events.

This support is a critical component of our budget and it is truly a significant need for our school. This year we are thrilled to have a wide-range of active clubs for student participation, but we could truly use additional funding to ensure that we have sufficient allocations for activities, materials, and sponsorship.

To take advantage of the tax credit of **up to \$400.00 for married couples**, or **up to \$200 for singles**, go to the Chandler Unified School District web address, <http://www.cusd80.com/taxcredit>. You will then be able to select "**Community Member**" or "**Junior High Parent**" for more information and donation links/directions. You may donate to a specific club, or activity, or simply select "WJHS GENERAL / UNDESIGNATED TAX CREDIT." **Please note that you may donate any amount up to the maximum allotted for your tax status.**

Thank you, in advance, for your consideration.
