

CUSD Models of Instruction

Option 1: PreK-12th grade In-person Model of Instruction

Elementary (Preschool -6th grade)

- Parents who choose the In-person Model of Instruction will maintain registration at their current enrolled site.
 - There will be 5 full days of instruction per week
 - Students will report directly to classrooms when they arrive at school
 - Cohorts of students stay together where possible throughout the day, including breakfast, lunch, recess, specials, and dismissal
 - Restricted common area use
 - Structured transitions and scheduled playground use
 - In classroom celebrations, virtual and on-site field trips
 - Staggered start and end times may be established for sites with larger enrollments
 - Large events, such as Meet-the-Teacher-Night may take place virtually or may be scheduled over a period of time to limit the size of the gathering
 - Desks will face one direction when possible to allow for distancing
 - Sharing of school supplies among students will be limited
 - Before and After School childcare will be available
 - Arrival and Departure /Volunteers and Visitors
 - Parent drop-off and pick-up area, drivers stay in cars at all times
 - Parent appointments made through the office in advance
 - Non-essential visitors and volunteers will be restricted and not assigned in classrooms

Secondary (7-12 grade)

- Parents who choose the In-Person Model of Instruction will maintain registration at their current enrolled site.
 - 7-8th grade students will be enrolled in a full schedule of courses
 - 9-12th grade students will be enrolled in 6 courses (seniors enrolled in 4 if on track to graduate)
 - Students will attend core and elective courses (some activities may be modified to address social distancing)
 - Assemble and celebrate students in small groupings
 - **Field trips** will be approved on a case by case basis to ensure safety measures and expectations are in place (at principal's discretion)
 - **Extended travel** field trips will be reviewed on a case by case basis to determine approval (at the district level)
 - Must have parent signed permission slips and waivers before students can attend trip
 - Review to ensure safety measures and expectations are in place at the location of the activity

- Athletics and extracurricular
 - Students will have access to all athletic and extracurricular campus activities
 - Athletics and Activities will be in accordance with guidelines published by the White House and CDC available at <https://www.whitehouse.gov/openingamerica/>. Guidance recommendations were provided by the National Federation of State High School Associations (NFHS), the NFHS Sports Medicine Advisory Committees (SMAC), The TRUST (TRUST Risk Management Guidelines for Summer Camps During a Pandemic) and the Arizona Interscholastic Association guidelines (AIA).

Option 2: K-12th grade online instructional model through the Chandler Online Academy registering with Chandler Online (this allows us to record and report attendance to State and receive funding)

Elementary (K-6th grade) NEW: Elementary Connect

- Parents who choose to enroll in Elementary Connect (Online Learning Model of Instruction) must register through the Chandler Online Academy and may retain their seat at their boundary or open enrollment site.
- Families may choose to transition back to in-person at the quarter or semester breaks.
 - There will be 5 full days of instruction per week
 - District technology devices available if needed
 - Daily teacher led instruction in whole and small groups (live lessons)
 - Course content will cover: Math, Science, Social Science, English Language Arts and Elective areas
 - Individualized supports and accommodations will be provided
 - Customized online learning track will be available for English Language Learners, Special Education, Dual Immersion, and Gifted classes as appropriate (more details will be shared with the families this would affect)

Secondary (7-12th grade)

- Parents who choose to enroll in the Online Learning Model of Instruction must register with Chandler Online Academy (COA) and may retain their seat at their boundary or open enrollment site.
- Families may choose to transition back to in-person at the quarter or semester breaks.
 - Florida Virtual curriculum and Buzz (Learning Management system) will be used
 - COA is North Central Accredited and NCAA approved
 - COA has extensive course options for on level, honors, and Advanced placement

- Success coaches will work with teachers to implement a relationship-building component
 - Families who choose online instruction must commit and complete by the quarter or semester
 - Course requirements are equivalent to the in-person instructional model so that grades/credits can be transferred at the end of each quarter or semester
 - COA grading practices will be followed
 - Final exams are proctored
 - District technology devices are available if needed
 - Students will be engaged in virtual activities
 - Students may participate in athletics, extracurricular activities, and graduate from their boundary or open enrolled site
- Concurrent Enrollment – schedule classes online and in-person.
