----- **Required Classes** -----

**Language Arts 7      Math 7      Integrated Science 7      Social Studies 7**

If your child qualified for honors language arts and/or math, you should have already received a letter from the CUSD District Office.

----- **Electives** -----

The 7th grade schedule allows for two elective choices in addition to the above-required classes. Because we are not always able to give students their first elective choice, please rank your top elective choices in order from 1-4. Your first choice should be indicated by the number "1," and your last choice by the number "4." Classes that require prior experience or require applications for admission are noted in parentheses.
