Dear Parents/Guardians,

I would like to extend a sincere welcome to you, and thank you for taking an interest in the Willis Junior High School athletic program.

Students at Willis may select from a number of sports that take place throughout the school year. **Please note that participation on the majority of these teams is limited and athletes are selected through evaluation during a tryout period.** Sports teams that have unlimited participation numbers (no cuts), are indicated with an asterisk (*).

4th Season (Mar –May)

The seasons are aligned with the Chandler Unified School District calendar.

Prior to each season, coaches will provide specific information about the sport. **In order to participate in any activity, athletes must have (1) completed the sports packet, (2) obtained a physical on the form provided in packet, (3) demonstrate proof of insurance, and (4) be cleared through the Student Services office.**

It is important that student-athletes understand their responsibilities as representatives of Willis Junior High school and that they assume a positive leadership role on our campus; modeling respect and appropriate behavior for other students.

I look forward to working with you and your student this year. If I can be of any assistance, please contact me.

Sincerely,

Brett Epstein
