

Just a Chandler girl
Livin' in a lonely world
She took the morning bus to Willis Junior High
Just a city boy
Born and raised right here in Chandler
He took the morning bus to Willis Junior High

A teacher in a small classroom
The smell of sweat and axe perfume
For a while they will sit and test
It goes on and on and on and on...

Students, testing
In classrooms up and down the halls
Their memories searching for the clues
They've prepped all year
Students have to show their learning
Hidin' somewhere in their minds

Workin' hard to get it done
No one ever thinks it's fun
Fillin' out another bubble sheet; AzMerit time
All are ready, none will lose
Afterwards they'll need a snooze
Test questions never seem to end
They go on and on and on and on...

Students, testing
In classrooms up and down the halls
Their memories searching for the clues
They've prepped all year
Students have to show their learning
Hidin' somewhere in their minds

Don't stop, achieving!
Empowerment for leading!
It's time to show what you know!
Don't stop, achieving...
Let's go...
Don't stop, achieving!
Empowerment for leading!
It's time to show what you know!
