

Dear Hancock Families,

Hi, my name is Amada Mumme. I'm super excited to be your 6th grade teacher! I began my teaching career here in Chandler in 2007.

I have been married for all most five years and we have a one year old named Sadie! Our dog's name is Vito and he is a blue pit-bull mix. I love hiking, yoga, and being outside. Something interesting about me is that I eat an apple every day! I grew up in Orange County, CA and graduated from Cal State Fullerton. Go Titans! I majored in Child and Adolescent Development with a minor in Natural Science. I have a master's degree from NAU in Instruction and Curriculum Development. I love teaching STEM projects!

I look forward to meeting and working with you and your children! Our meet the teacher/curriculum night is Thursday, July 21st from 4-6 pm. I welcome open dialogue between us and I know that we can make this school year amazing! Please do not hesitate to contact me at any point! Mumme.Amanda@CUSD80.com

The following information should help your child get off to a good start!
