4. Who can I contact if I am having technical difficulties?

Having trouble logging into your Buzz account? Contact our tech support at 480-812-6370 or coahelpdesk@cusd80.com office hours are 8 a.m. to 4 p.m. If you reach our voice mail, please leave a detailed message with your first and last name, phone number, and a description of the problem. We will get back to you as quickly as possible and within no more than one business day.

5. Are there live lessons in junior high and high school?

No, there are no live lessons, but more interactive lessons.

6. Why do I have an orientation class?

*Chandler Online Academy Student Orientation
Students will have a class in their account called “ Chandler Online Academy Student Orientation”. Students will need to watch all the videos in that course before starting their class(es). These videos will show students how to navigate the online classroom, email their teacher, view assignments, read feedback from their teacher, and how to submit assignments and assessments. There will be an assessment at the end of this course that must be passed with an 80% or better. All other courses will have an assignment in the Welcome Folder that requires the student to submit a screenshot of their home screen that verifies the student name and the score that was received on this assessment.*

7. It looks like my student is enrolled in multiple courses for the same period. Does that matter?

No, periods don't matter. Please ignore this.

8. My student wants to take a dual enrollment course. Why does the course name in the schedule not indicate dual enrollment?

Dual enrollment is an opt in option. Not every student will take the course for dual enrollment so we do not indicate that on the title. Rest assured, your student is receiving a course taught by a dual enrollment certified teacher and will receive the credit.
