Financials

Effective resource management has helped us meet financial challenges through careful and efficient allocation of our limited resources while maintaining our vision and mission for students.

M&O Budget Analysis:

As the **second largest employer in Chandler**, CUSD is a sizeable operation that requires substantial funding. To help you understand how big we are, here are some numbers:

- 4,900 employees
- 4.4 million square feet of school space
- 12,000 miles traveled by students in CUSD school buses every day
- 5.5 million meals served annually

Thank You for successful passage of the bond!

Over the past 8 years, the district has suffered state capital budget cuts of \$77,030,564. In order to navigate these hardships, stable leadership from the top down has been imperative to continue providing great educational services to our families. Bond funds will allow us to make up this gap in "capital" funding, providing:

- Renovations
- Technology
- Final lease funding for new schools
- School buses
- Parking lot repairs
- Roof repairs
- Carpeting

Concerns or questions about our spending? We encourage all community members to get involved with our Budget Committee. For more information, email: frost.belinda@cusd80.com

Leadership

Superintendent

Dr. Camille Casteel has dedicated her professional career to the success of Chandler schools. Beginning as a first grade teacher, she advanced to become the first principal of Weinberg Elementary, and then associate superintendent, before being appointed Superintendent in 1996. Since then, she has led CUSD through its greatest period of growth and expansion, all the while improving and increasing partnerships with key advocates, community groups, municipalities, and businesses.

Dr. Casteel is a former Arizona Superintendent of the Year and recipient of leadership awards from the Chandler Chamber of Commerce, Tribune Newspapers, and East Valley Partnership. In 2014, the Arizona School Administrators (ASA) Association honored her with the Dr. Raymond Sterling Kellis Leadership Award. In 2015, the Governing Board voted to name the newest high school in her honor. She also received the Diversity Award from the Chandler Chamber of Commerce and the Extraordinary Superintendent of the Year from the Maricopa County Education Service Agency.

Governing Board

Our district relies on the vision and stability provided by our governing board. Transcending their diverse backgrounds, the board's efforts to collaborate and find consensus is observed in district as well as externally. In December 2011, CUSD received the Arizona School Boards Association's Total Board Award, recognizing its members commitment to continuing education and training. Additionally, in April 2013, Governing Board member David Evans was elected as the National School Boards Association Black Caucus Pacific Region Director. David also served as the Black Caucus Founder and as President for the Arizona School Boards Association 2011-2013.
