## Senior Registration Meeting

**Counselors will be meeting with you through your English classes beginning in January. If you are absent and have not met with your counselor before spring break, please make an appointment.**

**It is important to make sure you are registered and on track for graduation.**

## Credit Checks

- **Check total credits! You need to have earned at least 18 credits by the end of your junior year in order to be considered a senior. If you have less than 18 credits, you will not qualify for half days during senior year. Be sure to speak to your counselor regarding summer school options to get caught up on credits.**

### 2025-2026 HAMILTON HIGH SCHOOL SENIOR REGISTRATION WORKSHEET

It is time to choose your classes for next year. Please register via the Campus Portal of Infinite Campus. Students must log into the Campus Portal and register for courses. Directions for registration are on our website. This worksheet is to prepare students for this online registration.

We hire teachers and create a master schedule based on student requests. Please consider your selections carefully, as we will be unable to accommodate schedule changes after schedules are created. By signing, we acknowledge that we have read the Course Description Catalog and understand any prerequisites and fees associated with the requested courses.

Note to Parents: If you encourage your child to take an honors class, please have a conversation with this year's current teacher to ensure proper placement. Also note that leveling down in the future can be challenging if it means exceeding class size maximums. Students cannot change levels until quarter 1 progress reports (approx. 4 weeks into the school year).

- Students must register for 6 classes.
- Students must provide at least two (2) alternative choices for electives in case their original choices are unavailable.
- Students registering for Release Time (Seminary) must indicate this by filling in one of their electives. This will replace one elective and does not contribute toward graduation requirements. Students should register for Chandler Online Academy or Zero Hour to replace this credit.
- Dual Enrollment courses vary from year to year due to teacher availability.
- Courses dropped after the 20<sup>th</sup> day of school in the 2025-2026 school year will receive a "WF" on the transcript.

SCIENCE	<p>Science is not required in the senior year if students have earned 3 credits in laboratory science. However, since many post-secondary institutes require four years of science, seniors may take a science course as an elective. Please check the entrance requirements for the institution that you plan to attend.</p>		For a full list of science offerings, please see the academic planning guide.

## How to Register Online...

### Online Registration Process

- 1. Pathway for Students: Log into Campus Portal > Click on More > Click on Course Registration**

The screenshot displays the Infinite Campus portal interface. On the left is a dark sidebar menu with the 'Infinite Campus' logo at the top. The 'More' option at the bottom of the sidebar is highlighted with a red box. The main content area is titled 'More' and contains a list of menu items: 'Course Registration' (highlighted with a red box), 'Important Dates', 'Lockers', 'Transportation', 'ICS', and 'Emergency and Health Update'. To the right of this list is a 'Quick Links' section with several blue links: 'Basha High School', 'CUSD Student Links', 'InTouch Fee Payments', 'COA Attendance Submission', and 'IMPACT Chandler Scholars'.
