### 2019-2020 Hamilton High School Freshman Registration Worksheet

It is time to choose your classes for next year! Please register via the Campus Portal of Infinite Campus. Students must log into the Campus Portal and register for courses. Directions for registration are on our website. This worksheet is to prepare students for this online registration.

We hire teachers and create the master schedule based on student requests. Please consider your selections carefully, as we will be unable to accommodate schedule changes after schedules are created.

- Students must select classes to fill six (6) periods.
- Students must provide at least two (2) alternate choice for electives in case their original choices are unavailable.
- Students registering for Off Campus Release Time (Seminary) must indicate this by filling in one of their electives. This will replace one elective and does not contribute toward graduation requirements. Students should register for Summer School, Zero Hour or Chandler Online Academy to replace this credit.

CORE COURSES – Circle one course from each row.
