

**PERRY HIGH SCHOOL
STEM DIPLOMA
STEM SCHOLAR DIPLOMA
APPLICATION 2019-2020
Applications Due March 8th**

Program applying for: <input type="checkbox"/> STEM <input type="checkbox"/> STEM Scholar

Perry High School offers a STEM diploma and STEM Scholar diploma. Students who are interested in the STEM diploma program should have an interest in one of the three programs of study: science, engineering or mathematics. Students who do not reside in the Perry High School attendance boundaries may apply for open enrollment.

STUDENT INFORMATION

Last Name	First Name	Middle Name	ID Number

SCHOOL/PARENT INFORMATION

School presently attending: _____

Out of boundary request? Yes No

If yes, what is your home school: _____

Parent name: _____

Email address: _____

Current GPA: _____

Current level of language arts: _____

Current level of mathematics: _____

Extracurricular activities (At or outside of school):

Please briefly explain why you would like to participate in the STEM program and what you hope to accomplish from your participation:

Which Program of Study interests you the most?

- Biotechnology
- Engineering
- Computer Science
- Medical
- Sustainability

Summer/ Program Requirements:

8th Grade Summer – No Requirement

9th Grade- Students in the STEM program are required to submit a **Science Fair project** in their Honors Biology class during their Freshman year (Not done in the summer)

10th Grade- 2 day (8 Hour) summer workshop is **required**. Summer workshops at Perry High School **do charge a fee of \$30.00**. Optional: you could do this workshop during your 9th grade summer and thereby not have a 10th grade requirement.

11th Grade Summer- A STEM Experience/ Job Shadow (12 Hours) is required.

The STEM Experience **may require a cost to attend, depending on what option you choose to complete.**

Is there anything that would prevent you from attending a summer workshop, summer experience, or completing a Science Fair project?

Yes No

If you answered yes, please explain:

** Please submit **one letter of recommendation from your current mathematic or science teacher** explaining your strengths as a student and why you would be a good candidate for the STEM program at Perry High School.

**Return all completed applications to Perry High School in care of Joe Greene or Fred Mann.
Any questions feel free to contact us at 480-224-2800.**
