

2020 STEM Summer Workshop Registration

Welcome STEM Students!

Perry High School offers STEM summer workshops that are required each summer for all STEM students. You will choose just ONE two-day 4 hour sessions each day. Since space is limited in workshops, please list your first and second choice and either an a.m. or p.m. preference and we will aim to accommodate you. All workshops are held at Perry High School, 1919 E. Queen Creek Road, Gilbert, AZ 85297 in the F Bldgs. (100 & 200 and 300 & 400).

Choose ONE TWO-DAY WORKSHOP from the dates listed below. There is a **\$30 fee** for the required workshop. Please complete this registration form and take the form and money to the PHS Bookstore before May 1, 2020. Any questions regarding STEM, summer requirements, or STEM workshops can be sent to mann.fred@cusd80.com.
