

Calling all former Basha Bears...

I am the Social Studies Department liaison for the Community Committee. We are working on a cool project that highlights some of our Basha Bear alumni and are looking to find some alumni to share a quick video update about what they have been doing since graduating.

Your video update does not need to be fancy. All we are looking for is:

"Hi, this is _____ and I graduated from Basha High in _____ (or alternatively I am part of the class of _____). Now I am (brief explanation of their current activity). I am a Basha Bear."

These are meant to be quick clips, nothing drawn out, and it does not need to be fancy or further scripted. Just updates on some of the wonderful things our alumni are doing. The theme at the end is "I am a Basha Bear" which needs to be included. Can't wait to hear from all of you!!
