Preschool News

We had a week of winter fun with a look at evergreen trees and our pinecone science experiment!

This week we will have fun with gingerbread and do some candy cane science.

The children have been sharing with each other about family and holiday traditions in the home. If you celebrate something special, please let us know and we can talk about that too!

Pre-K Spirit Days:

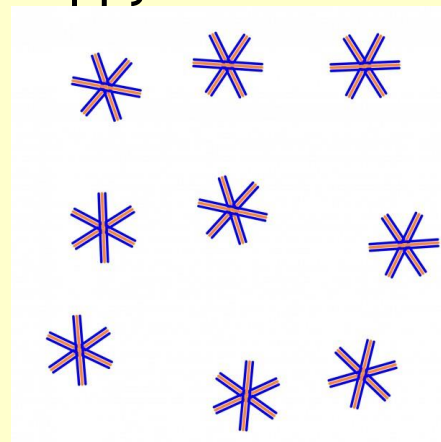

Tuesday (12/15) Wear red or white. Candy Cane Day

Wednesday (12/16) Wear your holiday socks. Gingerbread Day

Thursday (12/17) Wear your pajamas. Polar Express Day

Feel free to send in any fun pictures from your winter break and we will share them in January.

Wishing you all a fun-filled winter break and a very happy New Year!
