What is happening in room C5?

August 16, 2019

Dear Parents,

You will be receiving an email Monday morning at 7:45 am with a link to sign up for a conference on August 28th or 29th. If you are unable to make a conference during the times available, please email me and we can set up another time to meet. I'm looking forward to meeting with all of you.

Thank you to everyone that signed up to volunteer for our field trip and interview day. I will be contacting the field trip volunteers shortly with more information.

Math (next two weeks):

5th Grade Math Classes— Students will be multiplying multi-digit numbers and learning place value with decimals.

Brown's Math Class— The students will be assessed on chapter 4 next week and then we will begin our unit on Ratios and Rates (back to chapter 1 in the math book).

My email is: brown.melissa@cusd80.com

My classroom website: <http://www.cusd80.com//Domain/4768>

Social Studies:

We began a simulation about the events of the American Revolution. The students will be going through different episodes to experience what it was like during the Revolution.

We also began our unit to prepare for our BizTown field trip. The students will continue to practice writing checks, deposit tickets, and recording transactions in their check registers. They will also be interviewing for jobs on Tuesday.

Reading:

We began our first literature unit with the book *Woods Runner* and will continue reading it for the next two weeks. The vocabulary and comprehension tests will be from *Woods Runner*.

The spelling and grammar lessons will continue to come from our Journeys Reader's Notebooks.
Week of 8/19— Lesson 4
Week of 8/26— Lesson 5

Writing:

The students will be completing writing activities during our American Revolution Simulation.
