You will see the assignments under the event list (to the left).

The screenshot displays a user interface with two main sections: 'Event List' on the left and 'Calendar' on the right. The 'Event List' section contains three items:

- 02 ELA Test: Possessives (singular)**: Test available to take today until 11:55 PM.
- 2 Possessives (singular)**: Test available to take today until 11:55 PM.
- Add Three-Digit Whole Numbers**: Due: Apr 19, Done in 4 days.

The 'Calendar' section shows a monthly view for April 2020. A red arrow points from the text above to the first event in the list, which is '02 ELA Test: Possessives (singular)'. The calendar grid shows various assignments and tests scheduled throughout the month, including 'Counting Forward and Back', 'Capitalize proper nouns', 'Express whole numbers', and 'Contractions'.

Click on each one and then "submit" once complete.
