

## Second Grade Weekly Homework

*\*Think Central and links are in the Second Grade Sparks Link Library*

★ **Practice Math Nightly** Extra resources are available on Think Central\*

Look for math assignments from class. They are due the next day.

Practice math facts

★ **Read for 20 min\* Nightly**

Visit Think Central\* for our Journeys stories and/or read books of your choice.

★ **Practice Spelling Nightly**

**Trick words:** \*Memorize these words

father	mother	brother	learn	picture	earth
--------	--------	---------	-------	---------	-------

**Fundations Unit 9 r-controlled syllables ir, er, ur**

We are working on understanding spelling patterns. You will be tested on words practiced at home and at school that follow these patterns.

**\*These words have more than one possible spelling to make the same sound. There is no rule to tell us which one to use -er, -ir, or -ur.**

**To practice:**

1. Look at the word- Tap each sound, Spell each letter aloud, Then Write it.  
**Students spell the other sounds and leave the r-controlled syllable blank.**
2. Then try each option -er, -ir, -ur to see which one looks right.

Check how you did. Correct any errors and try again!

**\*\*We have to memorize which one looks right. The more we see the correct spelling we will recognize the correct way.**

- **Then use a tree map, pyramid spelling, back spelling etc. to practice it the correct way**

dirty	church	return	third
cursive	term	termite	sturdy
chapter	corner	curled	skirt
monster	birth	thirsty	survived
surprise	perfect	spider	panther

**\*\*Now, go play and have fun! You deserve it!\*\***
