## Infinite Campus (IC) **Student and Parent Portal Grades (K-12)**

### What is it?

It is a logon website "Portal" where you, the student, can access your grade and class attendance. This will help you increase communication with your teachers.

### What do you need to do to start using the Infinite Campus (IC) Student Portal?

You can logon anywhere you have Internet access (at home, in a school or through your Smartphone). Simply follow these directions.

**NOTE:** You may find it helpful to print these directions now.

### How to access:

Go to the Chandler Unified School District homepage:

<http://www.cusd80.com>

- Click on the Parents & Students Tab
- Choose Student Portal-Online Grades
- Click on the Infinite Campus Portal icon

### OR

Use this friendly URL:

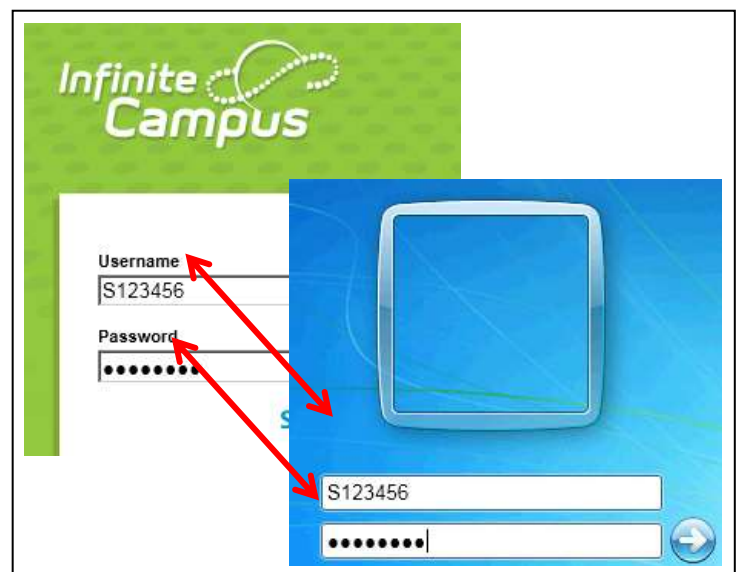

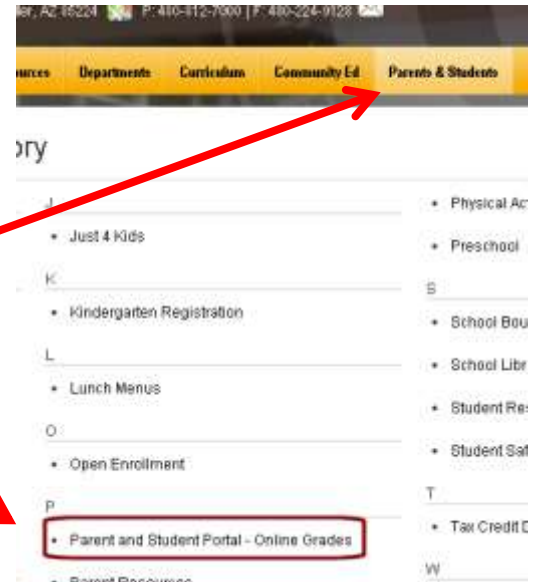

<http://www.cusd80.com/studentportal>

The **Infinite Campus Portal Homepage** appears where you will enter your unique username and password. You will use the SAME username and password for Infinite Campus as you do for logging into a computer at school (in the computer lab or classroom). For example:

"**S**" (either small or capital will work) plus your **student number**

**For example:** S123456

For your **password**, enter the same password you use to log into a school computer.

**PASSWORD NOTE:** You do not change your Infinite Campus password inside the Infinite Campus portal. Instead, when you change your computer password at school, it automatically changes in Infinite Campus as well. (Your Infinite Campus password will *synchronize* with your computer login password.) Please contact your school if you have any password issues.
