EVERY CHILD
IS AN

ARTIST

~ *Pablo Picasso*

**EVERY CHILD IS AN
ARTIST.**

**THE PROBLEM IS HOW TO
REMAIN AN ARTIST ONCE
WE GROW UP. ~*Pablo Picasso***

Why is Art important?

- Stimulates our mind
- Allows us to explore our creative side
- **Art** in any form entertains, informs, educates and enlightens
- Art stimulates both sides of the brain
- 33% of kids are visual learners
- There are studies that show that kids, who make art, read better and get better grades in science and mathematics
- The kids learn by using their senses and art is ideal in this process

Art Masterpiece

What a Lesson Should Look Like

- Meet the Artist: 5 min. max
- Discussion of the artwork: 10 min. max
- Process: 40-60 minutes
- Music: Introduce music as students are working
- Cleanup
- Students that finish early
- Discipline
- Remind students when 15, 10, 5 minutes work time is remaining

Art Masterpiece

Lesson 4 Major Components

- Bin: Contains AM Grade Level Binder and Supplies
- Lesson
- Lesson Media (Powerpoint, Video, Music)
- Sample Prints

Sample Lesson: George Seurat

Tips for keeping students engaged

- Keep the artist bio short. 5 – 10 minutes. Otherwise you might lose your audience. Students are eager to get started.
- Ask open-ended questions that begin with “Why do you think...”, “How...” to encourage interaction
- Consider a location change (Bio/Lesson on floor, desk for project)
- Relate the artist or the work to their own lives as much as possible. For example, find something that the artist did when they were the students age.

Large group answer ideas

- Thumbs up or thumbs down
- Rate on a scale from 1-5 (show fingers)
- Show me on your fingers how many ____ you see
- Turn to a neighbor and share

Art Masterpiece

Art Masterpiece brings art into your child's classroom, six times throughout the school year!

Each time we visit, we will have a carefully selected artist to discuss, an example of their work and a hands on project. This usually takes between 60-90 minutes. We make a concentrated effort to expose your child to a diverse range of artists that are considered masters in their own style. Musical composers and specific musical pieces will link the artist to the music of that era, or will share the same theme of the artwork being studied. It will be played during this time to more fully enhance their art experience.

Students will keep their artwork in the classroom, in a portfolio. In the Spring, they will select their best work for display at the school wide Arts Show.

We need YOU to help bring art into our kids' lives!
