PRINCIPAL'S MESSAGE

Dear Parents/Guardians and Students of Ken "Chief" Hill Learning Academy:

Welcome to Hill Learning Academy! We are dedicated to providing your child with skills needed to achieve their academic goals on their road to graduation. Our mission is very simple; provide educational opportunities for at-risk students outside of the traditional school setting. We have put together a staff that is willing to do what it takes to create a productive student and a model citizen.

We provide a character education program delivered by our teachers with the purpose of helping students make quality decisions in their daily lives. We focus on two pillars of character each month emphasizing social interactions, social choices, and proactive decision making.

At Hill, we constantly strive to build a team consisting of teachers, administration, and parents, all with the focus of student achievement. We will work together to help your child meet their academic and behavioral goals.

I look forward to meeting with you and your child as we begin this journey.

Sincerely,

Dave Constance

KEN “CHIEF” HILL LEARNING ACADEMY

Behavior Code & Discipline

Student Conduct Philosophy

The philosophy of Hill Learning Academy is that students are young adults in the making who will learn civil, polite and respectful conduct by the example of their teachers and other adults. Consequently, students will be treated with respect and courtesy by the Hill Learning Academy staff and will be expected to treat not only all adults at Hill Learning Academy with such respect, but one another as well.

Hill Learning Academy has the goal of developing not only habits of good scholarship and critical inquiry, but also good character. Students at Hill Academy will be involved in a character education program that will discuss the following: good citizenship, compassion, cooperation, desire to learn, honesty, integrity, respect, responsibility, service and trust. Students at Hill Learning Academy are expected to exhibit appropriate behavior at all times.

Hill Learning Academy’s guiding policy is to be fair, firm, and consistent in the application of discipline for inappropriate behavior. However, the guidelines for discipline are not intended to be exhaustive. The school reserves the right to exercise reasonable judgment as an individual circumstance might dictate.

District policy covers, but is not limited to, tardiness, unexcused absence or ditching, defiance of school personnel's authority, disorderly conduct including profanity and obscene behavior, lying, dress code, automobiles, bus threats, verbal abuse, forgery, gambling, theft, smoking, destruction or defacement of property, trespassing, fighting, alcohol and drugs, physical assault, arson, weapons, extortion, and explosive devices.

Students may be assigned detention, suspension, lose the privilege of participating in extra-curricular activities, or be required to perform some work detail, such as cleaning, depending on the nature and frequency of offenses such as: littering, possession and/or chewing of gum on campus, being late to class, talking out of turn or otherwise disrupting the classroom environment, using disrespectful speech toward other students, violating uniform and dress code policies, and engaging in other inappropriate behaviors as determined by administration. In the case of more serious misbehavior, such as fighting, theft, willful destruction of property, defiance of authority, disrespect of adults, leaving campus without permission, ditching class, etc., the parent will be contacted, appropriate disciplinary measures will be taken and a follow-up parent/student meeting with administration will take place prior to the student’s return to school.

Threats of violence and physical, verbal or sexual harassment are illegal and will result in parent contact and, depending on the nature of the offense, may result in other disciplinary measures, including notification of law enforcement authorities, suspension and expulsion. Tobacco and other legally controlled substances, lighters, matches, pocket knives, weapons of

any kind, and sexually explicit materials are also prohibited on campus at all times. Possession of these items will result in immediate disciplinary action and may include a recommendation for long term suspension. The vast majority of our students respect the rights of others and are not negatively affected by a discipline plan. Each teacher has his/her own discipline plan that is distributed at the beginning of each new term. The administration has the authority to suspend a student for 9 1/2 days or less. There is no appeal of a short-term suspension. If a student is subject to suspension for 10 days or more, a request for a formal hearing can be made to the Director of Secondary Education. A formal hearing shall be held whenever a long term suspension or expulsion is recommended. Only the Governing Board can expel a student.

One of the most important lessons education should teach is discipline. While it does not appear as a subject, it underlies the whole educational structure. It is the training that develops self-control, character, orderliness, and efficiency. It is the key to good conduct and proper consideration for other people.

Where conduct falls within the protection of the First Amendment, the administration will reserve the right to preview any material or activity (planned or spontaneous) involving the student population.

Any student engaged in a behavior or action that disrupts the operation of class or school will be immediately removed from the classroom and a parent conference will be scheduled.

******Hill Learning Academy will follow the disciplinary policies as established by the Chandler Unified School District's Governing Board******

Conduct at School

Successful students will agree that two very important factors of success are respect for and cooperation with their teachers and other school personnel. In order for the most benefit to be gained from any subject, it is desirable that you give your cooperation to teachers, as well as fellow students, please follow these suggestions as rules:

1. Use courteous language at all times. (Hill Academy enforces a zero-tolerance policy in regard to profanity)
2. Be in your seat when class begins.
3. Do not disturb others or interrupt their learning.
4. Comply with uniform and dress code.
5. Follow teacher's directions the first time.
6. Electronic devices (cell phones, Gameboys, CD/MP3 players, IPODS, etc.) are not allowed on campus at any time. They will be confiscated and kept in the office until parental pickup.
7. Students who deface school supplied notebooks will pay for a replacement.

- Carrying or possessing a weapon on school grounds.

In addition to the general rules set forth above, students shall be expected to obey all policies and regulations focusing on student conduct adopted by the Board. Students shall not engage in any activities prohibited herein, nor shall they refuse to obey any order given by a member of the faculty or staff who is attempting to maintain public order.

Any student who violates these policies and regulations may be subject to discipline up to expulsion, in addition to other civil and criminal prosecution. These punishments may be in addition to any customary discipline that the District presently dispenses. Such students may

be removed from their respective attendance boundary schools and placed in alternative educational programs.

Local law enforcement shall be notified by the Superintendent regarding any suspected crime against a person or property that is a serious offense, involves a deadly weapon or dangerous instrument or that could pose a threat of death or serious injury to employees, students or others on school property. HAZING

There shall be no hazing, solicitation to engage in hazing, or aiding and abetting another who is engaged in hazing, of any person enrolled, accepted for or promoted to enrollment, or intending to enroll or be promoted to District schools within twelve calendar months. For purposes of this policy a person, as specified above, shall be considered a "student" until graduation, transfer, promotion or withdrawal from the District school. "Hazing," means any intentional, knowing, or reckless act committed by a student, whether individually or in concert with other persons, against another student and which both of the following apply:

"Organization" means an athletic team, association, order, society, corps, cooperative, club, or similar group that is affiliated with an educational institution and whose membership consists primarily of students enrolled at that educational institution. It is no defense to a violation of this policy if the victim consented or acquiesced to hazing. Report all acts of hazing to a teacher or an administrator immediately. This information can be referenced in Governing Board Policy JICFA.

It is becoming increasingly popular for students to post material on websites such as Facebook or Snap Chat. Please be aware that material posted, either at home or at school, could be viewed as harassment or disruptive to the educational environment. This is not

limited to web based social networks alone: materials sent via email, text messaging or voicemail, could be viewed as harassment or disruptive to the educational environment. Conduct off campus during non-school hours could lead to the disruption of the educational environment. In cases where it is harassment, or leads to the disruption of the educational environment, students will be subject to disciplinary action.

OFF-CAMPUS JURISDICTION

The jurisdiction of the school is primarily limited to the school premises and school-sponsored functions. However, violations in conduct by students:

- at any school activity/athletic event (home or away, day or night)
- to and from school or school activities, including bus stops
- in classrooms
- on campus
- on any district property

could result in disciplinary action, as per Arizona Revised Statutes 13-201.

School rules and other reasonable expectations of acceptable student behavior are extended to include student conduct while off campus during the regular school day. This includes the student's conduct while going to and from school, during the lunch hour, and release time. School authorities may discipline a student for any misconduct while off campus during the times specified above. This information can be referenced in Governing Board Policy JIC.

SEARCH & SEIZURE

The administration has the right to search and seize property, including school property temporarily assigned to students, when there is reason to believe that some material or matter detrimental to health, safety, and welfare of the student(s) exists. This would also include personal property such as backpacks, book bags, clothing, or other items carried by the students. Items provided by the school for storage (e.g. lockers, desks) of personal items are provided as a convenience to the student and remain the property of the school and are subject to its control and supervision. Students have no reasonable expectancy of privacy, and school personnel may inspect lockers, desks, storage areas, etc., at any time, with or without reason, or with or without notice. This information can be referenced in Governing Board Policy JIH.

DUE PROCESS

Students in Chandler Schools have rights. They also have the responsibility to respect the rights and property of others. If a student fails to do this, disciplinary action will follow.

In disciplinary cases, each student is entitled to due process. This means you:

1. Must be informed of the accusations against you.
2. Must have an opportunity to accept or deny the accusations.
3. Must have the factual basis for accusation explained to you.
4. Must have a chance to present an alternative factual position if the accusations are denied.

OFF-CAMPUS SUSPENSION (OCS)

An off-campus suspension results in removal of the student from regular classes. The student will be given work to be completed while on suspension. While serving OCS, the student will not participate in any school activity or be permitted on any CUSD campus. A parent-administrator conference may be requested prior to a student returning to classes.

ABUSE OF TEACHER OR SCHOOL EMPLOYEE IN SCHOOL

BULLYING/HARASSMENT/INTIMIDATION

The Governing Board believes it is the right of every student to be educated in a positive, safe, caring, and respectful learning environment. The Board further believes a school environment inclusive of these traits maximizes student achievement, fosters student personal growth, and helps students build a sense of community that promotes participation as members of society. To assist in achieving a school environment based on the beliefs of the Governing Board, bullying, harassment or intimidation as defined by this policy will not be tolerated.

- ***Hostile environment harassment*** occurs when unwelcome conduct of a sexual nature is so severe, persistent or pervasive that it affects a student's ability to participate in or benefit from an education program or activity, or creates an intimidating, threatening or abusive educational environment. A hostile environment can be created by a school employee, another student or someone visiting the school

Examples of Sexual Harassment. Sexual harassment can take many forms and can occur on or off school campus (i.e. on field trips, on off-campus athletic events). Girls can sexually harass girls and boys can sexually harass boys. Depending upon the circumstances, sexual harassment may include, but is not limited to:

Gender Based Harassment. Gender based harassment is a form of prohibited sexual harassment that occurs because a student does not conform to gender stereotypes.

Prompt and Thorough Investigation. If harassment is reported, or if it is widespread or well known to students and staff, the District shall respond. The District will investigate and document alleged acts of sexual harassment in a prompt and thorough manner.

Prompt Remedial and/or Disciplinary Action. If the District determines that sexual harassment has occurred, the District will take effective steps to end the harassment and prevent it from happening again.

The District shall take prompt remedial and/or disciplinary action against individuals who have engaged in activities prohibited by this policy. Students and employees shall be disciplined in accordance with applicable discipline Policies and guidelines. Disciplinary consequences may include but are not limited to suspension from school or expulsion from the District. Possible remediation actions may be but not limited to education training and counseling.

CHILD ABUSE (ARS 13-3620)

School employees cannot ignore child abuse. By law, reasonably suspected cases of non-accidental injury, sexual molestation, abuse, and neglect must be reported to Child Protective Services or the local law enforcement agency. People who are required to report suspected abuse are protected from civil or criminal liability.

If parents or students need assistance in relation to abuse, the Child Crisis Center East Valley (969-2308) can help. This agency, open 24 hours a day, provides crisis counseling and information on a variety of agencies which offer shelter for children and adults, emergency food supplies, parenting classes, legal aid, job placement services and much more.

ENGLISH LANGUAGE LEARNER PROGRAM

No later than 30 days after a student enrolls, parents will be notified of their child's eligibility based on state mandated testing which includes level of English proficiency, how that level was determined, and the status of the child's academic achievement. If a child qualifies, available programs, services, and parental rights will be explained.

FERPA RIGHTS

The Family Educational Rights and Privacy Act (FERPA) is a complex Federal law that protects the privacy interests of parents and students with regard to educational records. Generally, FERPA gives parents the right to inspect and review their children's educational records, request amendment of the records, and have some control over the disclosure of information from the records. When a student turns 18 or enters college, FERPA classifies him or her as an "eligible student" and transfers the right under the Act from the parent to the student. FERPA requires school districts to notify parents and eligible students annually of their rights under the Act. When you turn 18 years of age, you have the right to your FERPA records. Please refer to the CUSD Course Description Book for further information regarding FERPA rights.

LOCKDOWN PROCEDURES

The purpose of a lockdown is to eliminate movement if there is a situation or police activity in the area. Security personnel will secure the perimeter of the campus and prevent people from coming on campus. If there is a lockdown, administration will maintain communication with the District Office and the police department. **Any student that disrupts a Lockdown Drill will be subject to disciplinary action.**

MEDICAL GUIDELINES

Under certain circumstances, when it is necessary for a student to take medicine during school hours, the District will cooperate with the family physician and the parents if the following requirements are met:

- There must be a written order from the physician stating the name of the medicine, the dosage, and the time it is to be given.
- There must be written permission from the parent to allow the school or the student to administer the medicine. Appropriate forms are available from the school office.
- The medicine must come to the school office in the prescription container or, if it is over-the counter medication, in the original container with all warnings and directions intact.

The district reserves the right, in accordance with procedures established by the Superintendent, to circumscribe or disallow the use or administration of any medication on school premises if the threat of abuse or misuse of the medicine may pose a risk of harm to a member or members of the school population.

Students who are in the possession of medically approved drugs, but have not followed the directions prescribed above, shall be warned for the first offense. All succeeding offenses he/she should be disciplined according to normal school disciplinary policies. Students who distribute such drugs to others will be considered under the policy as distributing drugs for non-medical purposes.

STUDENT PROPERTY

The school assumes no responsibility for loss to students' personal property. Students are encouraged to use good judgment in what they bring to school. They should not bring items of great value to school. If they do so, they bring them at their own risk. Items that are a distraction to the classroom environment may be confiscated until the end of the day. **Bikes, scooters, razors and skateboards** are not to be ridden on campus. STUDENT CONFINEMENT: PARENTAL NOTIFICATION AND CONSENT

The Arizona Revised Statute A.R.S.§15-843 states that the Superintendent shall ensure that disciplinary policies involving the confinement of students include a process for prior written parental notification and consent. Confinement is defined as leaving a student alone in an enclosed space.

Chandler Unified School District has chosen not to utilize the practice of confinement for disciplinary purposes. Please note that the District may use confinement for therapeutic reasons or in situations when a student poses imminent physical harm to him/herself or others. If there is an unanticipated need to confine a student for disciplinary purposes, the District will make reasonable attempts to contact you via telephone and written notification by the end of the day when the student was confined. Although prior written consent is necessary before the District can use confinement for disciplinary purposes, A.R.S. § 15-843(B)(9)(b) allows an exemption to obtaining prior written consent when the school principal or teacher determines that the student poses imminent physical harm to self or others in an unanticipated situation.

Please indicate agreement or disagreement of confinement of your child on the signature page of the handbook.

ISS Policies and Procedures

1. Junior high students will meet with an administrator before going to ISS. When a junior high student is sent out of the room, the sending teacher will notify office staff via email or phone. After the student has met with an administrator, the student will be sent to ISS. The teacher will contact home either via email or phone the same day referral has been written.
2. Students sent to ISS have two tasks to complete while in ISS. First, they must write a 5 sentence paragraph about why they are in ISS and how they will avoid ISS in the future. This paragraph will be signed by the student and checked by the ISS monitor. The teacher who sent the student will also sign the paragraph. The paragraph will be filed in the ISS room. The second task is for the student to work productively while he or she is in ISS.
3. Students sent out of the classroom are required to bring work with them to ISS. The assigned work must be completed before the student will be allowed to attend his or her next class. If the assigned work is not complete, the ISS monitor will contact the next teacher and work will be sent to ISS for the next class period. If a student refuses to take work to ISS or if the teacher does not send work for the student, the student will work on AZMerit prep, math drills, English essay prompts, article summaries etc. If the student refuses to work on assignments while in ISS, he or she will be sent to administration for additional discipline.
4. Students will not have free time while assigned to ISS. If a student is assigned to ISS at any time during the day, that student will spend PE and lunch in ISS. The student must continue to work on assignments during this time.
5. The use of electronic devices, talking, sitting idly, and sleeping are not allowed in ISS. Students will be redirected one time. If the behavior continues, the student will be sent to administration.
6. **A student that receives 5 ISS placements will serve 1 full day in ISS. If that student earns 5 more ISS placements they will receive an off campus suspension. Progressive discipline will follow.**
7. Bottled water and lunch, if assigned, are the only food and drink allowed in ISS.
8. All students must be escorted by security when leaving ISS for any reason. Restroom breaks, drinks, and health office visits will be taken when there is minimal hallway traffic. If security is not available to escort students, administration will be called to assist. In an emergency situation, administration will be notified.
9. Removal from ISS for failure to comply with the ISS rules will result in a call home, a referral, and possible off-campus suspension. Continuous ISS infractions will result in increasing the duration of the off-campus suspensions in addition to a parent conference.

PG and PG-13 Movie

PARENTAL PERMISSION SLIP

During the course of the school year at Chief Hill Learning Academy we have the opportunity to show movies and video clips. Most of the movies and videos selected to be shown to our students are rated either G or PG. However, occasionally there is a movie that we would like to offer our students that is rated PG-13. We would like your permission to allow your student to watch these PG-13 movies if and when they are selected. The purpose of this generalized permission is not to circumvent you as parents, but rather to eliminate some of the last minute scramble that always occurs when we ask for permission slips. If at any time you have questions or concerns about what your child is viewing, please talk to one of the teachers on our team.

Thank you for your cooperation!
