

IMPORTANT CHANGES TO MYSCHOOLBUCKS

MySchoolBucks is raising their convenience fee.

This change, effective from **December 11th 2017**, will increase from **\$1.95** per payment to **\$2.49** per payment.

Some of you may have received notifications from MySchoolBucks directly, regarding this fee change.

To make up for this increase, MySchoolBucks has a new program, called OnePay.

This program covers all of your program fees for the year.

To take advantage of this, you must use a checking account as your primary payment method.

These plans are either **\$12.95** for a single student, or **\$26.95** for multiple students. You can opt not to join this plan, and pay the increased fee of **\$2.49** with every payment.

As always, you may review, update and add funds to your students account at www.MySchoolBucks.com

We still accept Check or Cash payments for no processing fee.

If you have any questions or concerns, please reach out to us at (480)-812-7240 or contact MySchoolBucks directly at (855)-832-5226

Thank you,

Chandler USD Food & Nutrition Team
