Elementary Parents and Legal Guardians,

Thank you for choosing Chandler Unified School District (C.U.S.D.) as your District of Choice. This letter is to serve as an additional reminder of this year's Parent-Teacher conference dates and conference formats. All C.U.S.D. elementary schools will host individual parent-teacher conferences in August. Your conference may be held in-person or virtually as site administration determines.

Your child's academic progress as measured by multiple data sources and next steps to enhance your child's academic growth will be discussed at your student's conference either on **Wednesday, August 25th** or **Thursday, August 26th**. To assist our families who cannot attend their child's conference during the day, evening conferences will be scheduled on Thursday, August 26th. Your school will notify you of your conference date and time, as well as the format of the conference.

Please remember that these scheduled conferences are focused on your child's academic progression. You may always schedule a time to discuss your child's needs or progress throughout the school year as well.

If we can be of further assistance to you and your family please do not hesitate to call your child's school or our offices directly.

Yours in Education,

Leo B. Schlueter  
Director for Elementary Education
